ST. PAUL'S LUTHERAN CHURCH.

"What doth the Lord require of
thee but to do justly and to love
mercy." Micah 6, 8. In Jesus Christ
we find the living fulfillment of all
that God requires of man, including
the just and the merciful life. He
went about doing good. He left no
hand untarned for the relief of the
needy, not always physical, but very
often spiritual help and comfort,
which is of even greater value. He
found mercy lacking in the boasting
pharisee. He pointed out to the man
who tried to justify himself that to
be merciful, as was the Good Samar-
itan, is the true mark of neighborli-
ness. "Be ye merciful, as your Father
also is merciful." Luke 6, 36.

The Inner Mission work which our
Church carries on in various cities
among unfortunate peoples of what-
ever race or creed or color, is the
manifestation of the Spirit of Christ,
and follows His example. Like that
of the Good Samaritan, such activity
indicates the heart-beat of compas-
sion toward the fallen, the cripple,
the feeble-minded, the sick and im-
prisoned. We hear Jesus saying:
"Go and do thou likewise."

The Trinity Lutheran Orphan and
Old Folks' Home at Round Rock,
Texas, under the directorship of Rev.
Theo. Kreinke, is one of the Inner
Mission endeavors in our state. Let
us not forget these hungry mouths
which look to Christian friends for
food. Make an effort to bring your
offering of canned goods to the par-
sonage not later than Saturday noon,
Sept. 28, so that the pastor can de-
liver them. It is blessed to receive;
but "it is more blessed to give than
to receive."

Services Sunday, Sept. 29, in the
English language, conducted by Rev.
C. Weber. Note: This service be-
gins at 9:00 A. M. The Sunday
school will also convene at the same
time and remain at the close of ser-
vice.

Sunday, October 6, English ser-
vice beginning at 10:00 A. M.

The Ladies' Aid Society meets on
Wednesday, Oct. 2, at 2:30, enter-
tained at the home of Mrs. Amanda
Muenink by Mrs. Chas. Balzen. If
we cannot bring a new member, let
us be sure to answer to the roll.

The annual meeting of the Luther
League will take place Thursday,
October 3, at 7:30 P. M. All mem-
bers are asked to be present and
close the year with a successful meet-
ing.

A social for the Luther League
playing host to the new class of Con-
firmants has been arranged for Fri-
day night, Oct. 4, at 7:30 P. M. All
are to meet at the church at 7:30
and come prepared to enjoy a wienie
roast.

NEW FOUNTAIN NOTES.

Our Fourth Quarterly Conference
will be held October 6th at 10:45 A.
M. Bro. Buchanan will be with us
for the last time for the year and also
for his time of Eldership for the dis-
trict. May we have a large attend-
ance. We as a church and as indi-
viduals should make desperate efforts
to make this Conference what it
should be.

Our year's work here is nearly
over. The Annual Conference is
just ahead. All your work will go
down on a permanent record. What
will the record be? May it be one
that will meet with the Heavenly
Father's approval.

We will take the Lord's Supper
Sunday morning service. This ser-
vice should ever be a sacred one; a
service that will make Jesus more
real to us.

Friday night, October 11th, we will
have a musical program which will
be well worth hearing, for our best
is put into it. We will also have a
barbecue supper for which a small
charge will be made. There will be
other things of entertainment and of
amusement nature. It will be well
worth your time to come.

H. W. GASTON, Pastor.

BAPTIST NEWS NOTES.

The Sunday school of the Baptist
Church registered quite an encourag-
ing increase in attendance on last
Sunday. This fact made everyone
feel better. On next Sunday, we are
to have Promotion Day exercises. A
program is being prepared, and it is
hoped the attendance will be full.
The new teachers and officers for
the ensuing year, are to be installed.
This should be a most impressive ex-
ercise. To teach growing Youth the
word of Almighty God is a most sac-
red privilege, a very high calling,
and to accept such is a most serious
responsibility.

Following the installation exercises
the Pastor will bring a vital message
from God to us all. We should strive
to make each day just what we will
it to be, when we meet Him face to
face. A cordial welcome extended
to visitors.

R. W. MERRILL, Pastor.

CAR LOT SHIPMENTS.

Car lot shipments for the week
were as follows:

Corn 11 cars; Hegari 2 cars; maize
one car; broomcorn 2 cars; mohair
2 cars; sheep 4 cars and cattle 2
cars.

Corn and maize shipments were
slowed up somewhat by the rainy
weather that has prevailed.

"Business does not stand still; it marches ahead or fails. The merchant
who consistently, thoughtfully and carefully advertises, using newspa-
pers to carry his message, is invariably a merchant who is reaching out
to improve the condition of his business.

"Advertising is a show window of salesmanship; a challenge in times of

FAIR ROYALTY NAMED.

Among the princesses and duch-
esses named to represent different
towns at the 16th annual Winter
Garden Fair are the following:

Hondo, Miss Mary Ruth Wilson,
princess, Frances Sauter, duchess;
Devine, Frances Thompson, princess,
Winifred Burns and Elizabeth Cham-
bers, duchesses; Yancey, Itha
Hodges, princess, Leora Horger and
Frances Forbes, duchesses; D'Hanis,
Alma Batot, princess, Doris Nester
and Katherine Saathoff, duchesses.

Miss Wilma Spratt was crowned
queen of the 16th annual Winter
Garden Fair, which is being held at
Pearsall September 26, 27 and 28,
and Miss Virginia Littlepage repre-
sented Pearsall as princess, Miss Sid-
die Bloodworth and Miss Bertha
Taylor as duchesses of Pearsall.

The coronation ceremonies were
held last night, Sept. 26, at the fair-
ground pavilion.

Miss Wilson, chosen princess of
Hondo, is the youngest daughter of
Mr. and Mrs. Isaac Wilson, and
had as her escort Mr. Arnold Newsom
of Pearsall. Her duchess, Miss Sauter,
is the daughter of Mrs. Lena
Sauter. Her escort was Horace Mann.
Miss Wilson wore an evening dress
of black satin, while Miss Sauter's
was of purple crepe.

Miss Leora Horger, who is a teach-
er in Yancey, is the daughter of Mr.
and Mrs. J. A. Horger of Hondo.

GRIMSINGER FUNERAL HELD
WEDNESDAY.

Funeral services were held Wed-
nesday afternoon for August Grims-
singer, 61, native of San Antonio,
who died Monday at his residence,
2722 West Travis Street. He was a
retired blacksmith.

Rev. A. L. Wolff of St. John's
Lutheran Church officiated at ser-
vices, and interment followed in
Hegmann Sons Cemetery.

Grimsinger is survived by a son,
Glen Grimsinger; four daughters,
Mrs. W. E. Whitley, Mrs. R. W.
Kollatschay, Miss Edna Grimsinger,
all of San Antonio, and Mrs. G. E.
Tate of Corpus Christi; three
brothers, Joe Grimsinger of San An-
tonio, Ed Grimsinger of Shreveport
and Adolph Grimsinger of Los
Angeles; three sisters, Mrs. Leopold
Britz, Mrs. John Hillock and Mrs.
Arthur McDougal, all of San An-
tonio, and three grandchildren.

HIGHWAY 90 PLAYOFF.

Sabinal, Texas, Sept. 24.—The sec-
ond game of the play-off series for
Highway No. 90 League champion-
ship was terminated by a downpour
in the sixth inning just as Jim Fin-
ger struck out for the second out of
the inning. The score was 1 to 1.

D'Hanis scored in the third on
Carle's walk and steal of second
when Joe Finger bounced a single off
W. Buttlar's glove.

The Hustlers evened it up in their
half on Ike Arnim's smash which M.
Koch fumbled and Owens followed
with his fifth consecutive hit of the
series.

The game drew the largest crowd
of the season and each team was
playing in great form when a deluge
forced Umpire Barr to stop the hos-
tilities.

The game will be played off next
Sunday with Umpires Barr and Dun-
more again in charge.

METHODIST CHURCH.

Shan M. Hull, Pastor.

All who are interested in our choir
and church music are especially ur-
ged to be present next Wednesday
evening, at the church, at half past
seven o'clock, for it is our aim to re-
organize, and elect the officers for
the choir. Your presence will be ap-
preciated.

The ladies of the church are going
to serve a chicken dinner this coming
Wednesday, in the building next door
to the Hondo State Bank.

Our Fourth Quarterly Conference
will be held Sunday evening, Octob-
er 6th. The Church officers for the
New Year will be elected; other im-
portant items of business will be con-
sidered.

Our evening sermons begin at 7:30
instead of 8 o'clock. "Come thou
with us we'll do thee good."

MOHAIR SOLD.

Two cars of the fall clip of mohair
were shipped from Hondo to Boston,
Mass., on Wednesday of this week,
the Hondo branch of the Bandera
Farmers' and Ranchers' Association
being the shippers. The two cars
weighed 68,710 pounds and brought
50 and 60 cents per pound.

QUIHI NOTES.

And the men said unto Lot, Hast
thou here any besides . . . bring them
out of this place: For we will destroy
this place. Gen. 19:12-13.

Lot had chosen the best of pastures
but the worst of neighbors. His fate
is linked with theirs for better or
worse. Corruption all around him,
but he remained. The scandalous
surroundings, as his later history
shows, left their imprint upon him
and his household. They are always
contagious, in mind and motives,
where watchfulness lacks, and the
pollution is cropping out, sooner or
later. It seemed hard to him to sac-
rifice his material chances for his
spiritual welfare. His connection
with Jehovah, however, was not en-
tirely severed and for this reason,
and especially for that fervent inter-
cessory prayer of his uncle, Abra-
ham, his life was spared and that of
the family; all else was wrecked in
the crash. Angels had come to bring
the dire message of the debacle at
hand, and to hurry him on in his es-
cape. It was a terrible night for
him: Listening to the details of the
impending ruin for his estate and
home; listening to the fiendish de-
mands of a demoralized crowd and
their maledictions upon him, the new-
comer; watching the trembling of
wife and daughters and the plight of
his guests, till the latter take the sit-
uation in hand and give those Sodom-
ites a foretaste of judgment ere
their last morning dawns. "Hast thou
here any?"—a single soul that found
the Lord through you, that dared to
break with sin and lead a godly life,
prompted by your precept and ex-
ample? None? How many are prof-
ited by your Christianity?

Despite the threatening sky, a
goodly crowd took in the last League
program and were well repaid for
their daring with splendid numbers.
New talents are developing nicely.
Miss Edna Loessberg applied for
membership and was gladly received.
Others will follow. A preliminary
discussion was held in connection with
an extensive program for Thanksgiving
Day, similar to the one in October
last year. The play is selected and
the various parts distributed with
early rehearsals in view. The assign-
ments for the next program are as
follows: Recitations, the Misses
Pauline Graff, Crystal Beehler; select
readings, Mrs. Alb. Mumme, Mrs.
Wm. Schuehle; vocal selections, Mrs.
Walter Grell, Miss Lillian Hartman;
instrumental number, Mrs. Frank
Boehle. The standing numbers are
not forgotten.

Mr. Mimke Wiemers had been on
the sick list for a while, missing many
items of vital interest to him. We
found him on the road to recovery
with good prospects to resume his
former schedule.

Lest we forget, the Ladies' Aid
meets next Thursday, October 3rd.
The hostesses are the Mesdames Jac.
Oefinger, Harm Gerdes and Alb.
Mumme. Several important matters
are pending and we ask every mem-
ber to show up if any way possible.
Friends always welcome.

Announcements for September the
29th: German service at 10:30; Sun-
day school and Junior Bible Class at
9:30. Notice the new time schedule.
No evening service. No real Sunday
without worship. Come.

TRYING FOR MOUNTAINEERS.

Kerrville, Texas, Sept. 23.—With
two full weeks of practice behind
them, the 1935 Schreiner Institute
Mountaineers have another four full
days of hard work ahead of them in
preparation for the opening game
with the Ninth Infantry Manchus
from San Antonio next Friday.
Mountaineer prospects looked some-
what brighter as the week went by;
the Kerrville school was particularly
helped by the return of Tommie
Reed, star back from Houston and a
regular in 1934. The line-up for
Friday's game may include some new
men. Ted Dawson of Hondo is try-
ing out for guard after experience
in the line during his high school ca-
reer. Carroll Jones, Hondo, a good
running back, is showing up nicely
among the new backfield candidates.

THURSDAY BRIDGE CLUB.

Mrs. L. J. Brucks entertained the
Thursday Bridge Club on Thursday
afternoon of last week with three
tables of bridge. Mrs. O. B. Taylor
held high score and Mrs. R. J. Noon-
an second high. Mrs. Roland Chan-
cey was awarded guest prize.

Members and guests present were
Mesdames W. H. Smith, H. J. Meyer,
Garland Martin, R. J. Noonan, Earl
Starnes, O. H. Miller, E. J. Leinweber,
Alfred Schweers, J. R. Chancey,
O. B. Taylor, Rudolph Rath, J. M.
Finger and the hostess, Mrs. Brucks.

LANE-HARDT.

Claud L. Lane and Miss Lysetta
Hardt, the latter of Hondo, were
quietly married Thursday evening at
the home of Mr. and Mrs. H. B. Grace
in Austin, Texas, brother-in-law and
sister of the bridegroom. The Rev.
H. M. Ratliff read the ceremony and
the couple was attended by little
Misses Doris Grace and Jane Morley.
The ceremony was attended only by
members of the families. Mr. and
Mrs. Lane will be at home in Austin.

Mr. and Mrs. Vernon Wiemers of
Corpus Christi visited his parents,
Mr. and Mrs. Gus Wiemers, several
days this week.

SECURE COUNTY AID IN ERO- SION PREVENTION WORK.

The County Council, composed of
twelve men representing the farmers'
organizations of Medina County, met
with the Commissioners' Court here
Wednesday for the purpose of ap-
pealing for County aid in the promo-
tion of comprehensive terracing in
Medina County. The terracing pro-
gram has been instituted to prevent
soil erosion and comes under conser-
vation policies.

The Court agreed and passed a
resolution to the effect that the
County will purchase a tractor and
a grader for the use of Medina Coun-
ty farmers in their erosion preven-
tion work. The resolution was adopted
under the Senate bill known as
the State Conservation Law.

In carrying out the comprehensive
terracing program, any farmer in
the County requiring prevention
of erosion work done on his farm
may secure the use of the County
tractor and grader by paying for the
costs of oil and gas and for the ser-
vices of the linemen.

Now that the consent and backing
of the County Commissioners Court
have been secured, the program, un-
der the advisement of County Agent
C. M. Merritt and the farmers' or-
ganizations of the County, will be
pushed in the very near future.

MORE RAINS.

Light sleepers were awakened
early Sunday morning by an unex-
pected rain falling gently. A re-
freshing shower fell and Sunday was
a clear day. But it rained again Sun-
day night and the greater part of
Monday and Monday night. Tues-
day during the day intermittent
showers fell and during the greater
part of the night a slow rain fell. In
all there was a precipitation of 4.30
inches.

This rain added considerable mois-
ture to that already in the soil and
will greatly benefit fall crops and
pasture grass. It will also be of great
benefit to lands lately plowed and
set the soil in ideal condition for
winter grain crops.

However, those having ungathered
crops still in the field suffered con-
siderable loss from damage to them.

Reports from over the county in-
dicate that the rain has been general,
with the precipitation considerably
greater in some places than here. A
rise in the upper waters of the Me-
dina has greatly increased the out-
flow at the spillway at the dam.

SAUER MAJOR OF ST. MARY'S
UNIT.

Raymond Sauer, senior, has been
named cadet major and battalion
commander of the St. Mary's uni-
versity R. O. T. C. unit, it was an-
nounced Friday by Lieut. A. E.
Goodner, commandant. Other cadet
officers appointed were Robert Cur-
da, major; Clemens Wurzbach, cap-
tain and adjutant; B. F. Biaggi and
Harold Mitchell, captains and
company commanders, and Leo
Toudouze and Lloyd Ulbrich, lieuten-
ants.—San Antonio Light.

Clemens Wurzbach is the son of
Mr. and Mrs. Otto Wurzbach of Rio-
medina.

"ANNAPOLIS FAREWELL" COM-
ING TO LOCAL THEATRE.

The Paramount comedy drama,
"Annapolis Farewell", is scheduled
to show at the Colonial Theatre Mon-
day and Tuesday nights. It is filmed
at the United States Naval Academy
at Annapolis and deals with the re-
formation of a boy who comes to the
Academy with a chip on his shoulder,
ready to serve himself first, last and
all the time. The splendid cast in-
cludes Sir Guy Standing, Rosalind
Keith, Tom Brown, Richard Crom-
well, John Howard and many others.

BROKEN TRACTOR BELT WHIPS
MAN TO DEATH.

D'Hanis, Texas, Sept. 15.—While
cutting ensilage on the A. G. Hse
farm a few miles west of town Fri-
day, Isabel Lopez, 55, was fatally in-
jured when a tractor belt broke,
knocking Lopez down, where he lay
in the path of the dangling end of the
belt. Before the injured man could
be moved or the engine stopped the
belt literally whipped him to death.
Lopez lived until Saturday morning.
He is survived by his wife and seven
children.

HITTING THE LITTLE FELLOW.

Tax laws designed to punish big
business, under the guise of revenue
producing measures, may wreck their
principal damage on little business
and on the little fellow—the wage-
earner, the small investor, the white
collar worker.

In addition, they may make it im-
possible for the little business and
the little fellow ever to go ahead—
to progress, to prosper, to grow.

A recent editorial in the Los An-
geles Times said: "This is a 'big'
country accustomed to doing things
in a 'big' way. To dwarf such a
heritage would be in itself a return
to the horse and buggy days. To go
forward, to explore, investigate,
experiment, to attain the heights by
trial and error is expensive but nec-
essary to human progress.

ness or individual is often an initial
stepping stone to great things. The
poor man becomes rich; the

Carrots and Turnips as the French Cook Them

By Ann Pryor

CARROTS and turnips, like
spinach, are excellent foods, but
many children and grownups, too,
seem to find them hard to take.
Here are two simple recipes, in the
French manner, which will interest
those who wish to impart new and
appealing flavor to these two vege-
tables.

Sweetened Turnips—Scrape
small turnips, or divide large ones
into halves or quarters. Heat them
in a saucepan with butter for about
20 minutes. When they become light
brown sprinkle with one or two
teaspoonfuls of sugar and moisten
with about two tablespoonfuls of
meat stock or gravy. Cover and let
them simmer for about one hour.

Creamed Carrots—Scrape small
carrots and place them in boiling
salted water to which three lumps
of sugar have been added. Cook for
about 45 minutes. Small carrots
may be left whole; larger ones
should be cut into round slices.

Prepare a white sauce with a
lump of butter the size of a walnut,
two heaping teaspoonfuls of flour
and a cup of the water in which the
carrots have been cooked. Drain
carrots and place them in sauce.
Just before serving add four table-
spoonfuls of cream.

We furnish a special box of 100
No. 6 envelopes and 200 8 1/2x 5 1/2
letter sheets, every piece printed with
your name and address, for the small
price of \$1.50. You can't beat this

S. P. Childress was up from his
Seco ranch, below Yancey, yesterday.
Mr. and Mrs. Childress had a narrow
escape from drowning in the Seco
flood of May 31st last. They live in
the valley at a point where it is about
two miles wide and felt no uneasiness
about the rising water endangering
them. They were watching the
waters spread over the valley from
an advantageous point. The water
filled a depression between them and
their house but still they felt no un-
easiness and remained where they were.
In just a little while the flood waters
spread over the entire valley, engulf-
ing them and making it extremely
difficult for them to reach safety.
Mr. Childress says the rains have put
the ranges in fine condition and his
section, from a moisture standpoint,
is in the best shape it has been in for
years.

HURLS BODY IN FRONT OF CAR WHEELS AND SAVES TOT'S LIFE.

San Antonio, Sept. 18.—Victor
Hankenson, Hondo visitor, hurled his
body under the rear wheels of an au-
tomobile as a block to prevent the
car from crashing over a 30-foot
precipice into Martinez creek and
thus saved the life of 3-year-old Wil-
don Howard.

A visitor in the home of Clara
Bonam, 1103 Solana street, Los An-
geles Heights, Hankenson noticed
the Howard child in an automobile
parked in front of the home of the
Howards, neighbors of his host.

He saw it start moving backward
down an incline to the creek bank
and guessed that the child, in play-
ing, had thrown the car out of gear.
Hankenson dashed out and tried
to halt the car by throwing himself
against the back end. But he was
unable to stop it. Finally he hurled
formed a barrier which blocked the
himself in the path of wheels and
wheels.

Hankenson suffered minor bruises
but otherwise escaped unhurt. The
accident happened Tuesday.—San
Antonio Express.

OFF-HAND OBSERVATIONS

By R. R. Claridge.
Staff Contributor.

Does it not seem strange that even old line Democrats appear to have forgotten the platform upon which the peerless Bryan led the fight to make Woodrow Wilson president? On the money question especially, the congressional neck-and-belly trust, not excepting the Democratic phase of it with a few Wright Patman exceptions, shy at a little inflation of Abe Lincoln green-backs, with which to pay an honest debt to the veterans of the world war; and with no reason for their opposition, save that the debt is not due till 1945; that is, unless they are afraid to turn loose some government money to go into circulation, where a starved out people might get their hands on it.

The Lincoln-Bryan-Jim Hogg-Wright Patman theory of money is that the circulating medium of the nation is not value within itself, but a representative of value, and as good and no better, than the integrity of the government behind it; moreover, that only the government, under the constitution, should have the power to issue it. And the fact that this power, in flagrant violation of the constitution, has been delegated to the banks, does not seem to disturb the "new deal" democrats who, under the leadership of a president, elected as a democrat, are openly and shamelessly backing the rear-back, reactionary, bank-credit policy of making money scarce and dear, and everything else cheaper.

It is matter of history that Lincoln won the civil war mainly with green-backs, and except along the border between the warring sections, the north remained prosperous all during the war. But in a people's money, there was no rake-off for the credit men, and they made early and persistent war on the green-back currency. The untimely death of Lincoln, and his liquor-soaked successor, made it easy for the credit men to get rid of the green-backs, leaving only what little gold and silver there was in circulation. But the country began to mine silver on an extensive scale, when the credit men, seeing danger to their high interest rate, made war upon the white metal, soon causing its demonetization, bringing on the country the panic of 1873.

And the country has been run mainly on credit ever since. A sleepy, indifferent population managed to get by, in a hungry, half naked sort of way, as long as the credit held out. But when both cash and credit played out, along about 1929—well, you see what happened. And yet, the neck-and-belly trust, with its background of big business bolshevism, and voiced by a pander-press of big

town dailies, are still speculating as to how come, with apparently no idea what to do about it, except to sell interest-bearing, tax-free bonds, wherewith to parcel out a pitiful dole to half-naked, half-starved humanity.

People who know better, are no doubt surprised at the number of other people who think gold is money. Anything which does not circulate as money, is not money, and I double-dare the gang that has had it tied up ever since the civil war, to deny my contention. Except possibly, as a keep-sake curiosity, how many gold coins have you seen since when? Gold is a commodity, and less valuable than what we eat and wear, as a commodity. It is, and has been shipped back and forth across the seas, wherewith to juggle national and international finance, for robbery of people who labor or do honest business for a living. There is about five billion dollars in gold tied up in the U. S. treasury right now; and the powers that be, claiming that a paper currency is no good without a gold basis, do not know enough to make it back an issue of "currency", so sadly needed to relieve the depression in the national stomach.

I guess Wright Patman and his kind would rather see some inflation by a gold backed currency, than the present deflation policy of the credit men. In fact, Patman has a double object in his bonus bill (a) to pay an honest debt to the soldier boys, and (b) to get some inflation. And the same may be said of Dr. Townsend's old age pension bill; which, in a round-about way, beside a pension for the old folks would turn a lot of money loose, without further piling up a thirty billion dollar national debt.

Salmon, Texas.

P. S. In last issue of Farming the print made me say 18 cents instead of 12 cents, as the price at which the President stabilized the price of cotton.

FRAZIER-LEMKE BILL

Do You Know What It Is And Where It Is?

The Frazier-Lemke Bill is evidently a very important bill. It was written specifically as a farmer's bill, but would benefit all useful citizens. It is called the Frazier-Lemke Bill because it was written and is sponsored by Senator Frazier of North Dakota, and by Congressman Lemke, also of North Dakota. The intention of the bill is for the Government to issue new currency and lift the mortgages on all farms at present and refinance them at a small rate of interest, about 1 1-2 per cent.

MORE FUNERAL EXPENSES

By Lillian Stickney.
Contributor

While our property owners were working over time to defray their OWN funeral expenses as mentioned in my last article, according to all reports NRA died very suddenly and now the poor property owners are wondering if by working over time they could not make ends meet before, HOW can they possible pay NRA's funeral expenses, as this all must be most elaborately decorated with Federal Red Tape.

You will remember in my last article I advised the reading of the Constitution: as that article was written several weeks before the death of young NRA (but not printed until after) you may without any straining of brain matter realize just what I had in mind—the unconstitutionality of much of the alphabetic cod(ine) with which the suffering Americans have borne with the fortitude of the early Stoics. However, I write not to say "I told you so—" but to advise our senators to read that wonderful document before foisting more of that family as proteges on our long-suffering people.

If, and when a private employee of a company makes a mistake, either through ignorance or intentionally, which costs the company much expense, as well as the ridicule of other companies—THAT employee is promptly asked to resign, and if unwilling to do so, is FIRED PRONTO. The companies do not wait for a future election of officers, and in the mean time give that employee a chance to do further damage. Are the businesses of private companies of more value, or consequence than those of a great nation—and the welfare of ALL its people? What a huge laugh Europe must have had at the demise of NRA, in such a nauseating manner, but considering WHO were the parents of that code child, are they not too experiencing a cockle bur under the collar?

Right here we feel justified in mentioning a paragraph in a recent article of Dr. Spain's (July) in which he speaks of the paralysis of our

chief executive, possibly extending to cripple keen thinking, OR whether as SOME others think—maybe in league with certain senators, bond holders, interest takers and others who hold this country in a strangle hold. Maybe the best answer to this may be found in July 20 issue of Saturday Evening Post by David Lawrence, the Washington observer, and correspondent, in which he asserts that the current administration has led our beloved country, without its knowledge toward a Socialistic state.

Many have seen this, however, deep thinkers, lovers of our country and believers in the strength of our constitution. However, with incomes tied up by the Socialistic Manipulators they have found it very difficult to spread the warning. BUT the PEN is still mightier than the sword, and many of our best writers are putting soul and body, and even their limited incomes into the effort to enlighten the people and SAVE the country. THEN THEY MEET THE ELEMENT WHICH ARE BLINDED BY THE GIFTS OF SANTA CLAUS, AND LAUGH AT THE EFFORTS OF THEIR REAL FRIENDS TO PROTECT THEIR WELFARE AND THOSE OF THEIR POSTERITY.

It is sacrilegious that a country born and reared by such patriots as Benj. Franklin, Thomas Jefferson, Patrick Henry, Abraham Lincoln, and scores of others we might mention, of that same honest type, should so deteriorate that unconstitutional acts can be passed and scarcely cause a ripple on the face of our land and people submit like lambs driven to the slaughter without a bleat.

Thousands have paid tribute to the code regime. Have we forgotten "Millions for defense, but not one cent for TRIBUTE?" Have we allowed such classics as that of Patrick Henry "Give me liberty, or give me death" to become a mere twaddle? "Historic twaddle?" Where are our patriots? Is there not somewhere in this broad land—AMERICA—one man, who so loves his country that he will give his statesmanship as President, regardless, and without self-gain, to put America again on the upright base advocated and built by our Godly sires? James Warburg says "Freedom means the right to think, to work, and express themselves as they desire." Should we not think for ourselves, and not act dumb brutes which allow their masters to think for them? A free man's right!

Friction of minds develop minds, and an education which brings freedom and prosperity. It is unAmerican to be cowed into unexpression of our ideas and ideals. It is every man's right, insofar as they are for Constitution.

(Continued on page 14)

(Continued from first page.)

tutional upbuilding of their country. In a prior article I asked that you read the Constitution of the United States of America—this time I beg you to read the Declaration of Independence. I thrilled today as I read this wonderful document, and glorified anew as I read among the signers the name of Thomas McKean, one of my ancestry. I expect too, there are many who read this who will find names of their ancestors there. Is it not a goodly heritage? Shall we allow the process of time to manipulate through unscrupulous ones, in such a manner as to sell our birthright for a mess of pottage?

Be not afraid to sign YOUR name in bold letters as did JOHN HANCOCK, for the right: History states that only one man proved a traitor to his country—Benedict Arnold." A final test will show more good men and true. The evil ones are in the minority, for even now with our great increase of population, this country has a majority of good men and TRUE.

The legislature is the voice of the people (or was so designed by the framers of the Constitution) and the Senators, Representatives and even the President are the hired men of the people, and if, and when they do not legislate to the best interests of said people, they can be removed. Section IV, Article 2, provides for that very incident. We have three departments, each one of which was so designed to look after any delinquency of the other branches. The Supreme Court is a Co-ordinate power with the Presidency, and the SUPREME COURT still stands.

In closing I call upon the writers of the country, to give their best effort to spread the tidings of patriotism, for never has the country needed the influence of the educational pen more than at the present day. Even though remuneration is nil, or small, GIVE YOUR BEST, that the country may survive, and NOT be governed by aliens. Our forefathers chose that this country be "for the people, of the people, and by the people", a Government in which all have an equal chance—a PEOPLE'S GOVERNMENT, and the Constitution cannot be legally changed without a vote of the people, in which a majority of three-fourths vote may cause an amendment written into the Constitution. There are various ways in which this may be done, as prepared by the Constitution, BUT ALWAYS in each manner the change MUST have a vote of the people which it will govern.

Unconstitutional acts put by to further the ends of individuals, are individual companies, or at the behest of fanatical minds ARE NOT constitutional, and our Supreme Court stands as a safe-guard to, and for any American citizen who may ask their aid and protection.

Our forefathers chose DEMOCRACY, not MONARCHY—a GOVERNMENT for the people. HOW DO WE CHOOSE?

FARMERS SEEK AID FROM SCIENCE.

Science will arm against the four horsemen of disaster, drought, dust-storms, soil-erosion, and floods, reports The Literary Digest.

Attending the annual meeting of the American Association for the Advancement of Science in Minneapolis, 800 of America's leading scientists repaid their host by agreeing to combat nature's destructive weapons against the farmer.

If the West is to be relieved of climatic disaster, accurate, dependable scientific knowledge is needed to develop long-range plans for land-use, said Dr. Isaiah Bowman, Chairman of the National Research Council.

"We cannot stop the recurrence of drought, but we can avoid their worst effects. We can not prevent soil erosion by water and wind, but we can greatly reduce the rate of erosion.

"The immediate land problem of the West is not where to place a proposed 'shelter-belt' but where to turn farm land back to range land. A strong force of experts should be working on mass climatological data on the Great Plains accumulated by the Weather Bureau."

A new business and one that has
long been needed in LaCoste, a clean-
ing and pressing shop, will be opened
this week in the former LaCoste Tele-
phone Building by Mr. Rufus Cook.

Ariel A. Haby from Cliff was a
business visitor here last Saturday.

Joe O. Jackel from Macdonia was a
business visitor here Monday.

Mr. and Mrs. R. L. Nickell and
Bobby, Jr., spent a few pleasant days
with homefolks here last week.

Misses Thelma and Alta Huegele
from Riomedina were San Antonio
visitors last Friday.

Mrs. R. D. Bippert is on the indis-
posed list this week.

August Jungman from the Sauz
was here on business Wednesday.

Misses Elsie Koenig and Ida Geiger
were San Antonio visitors Wednes-
day.

Branch Keller was a San Antonio
visitor Wednesday.

Mr. and Mrs. Oswald Keller and
sons and Mrs. Alma Bristow were
San Antonio visitors last Friday.

Arthur Conrad from near Devine
was a LaCoste visitor last week Fri-
day.

J. E. Whiteside from Pearson was a
business visitor here last Saturday.

Frank Zeinert, the insurance man
from Macdonia, was a short visitor
here Monday.

E. W. Ischirhart and daughter,
Miss Eva, from Riomedina were
Alamo City visitors last Friday.

Messrs. Branch Keller and Walter
Geiger were San Antonio visitors one
day the past week.

Mr. and Mrs. Fred List and family
from San Antonio were visiting rela-
tives here Sunday.

Mr. and Mrs. Henry Krueger from
near San Antonio were visiting Mr.
and Mrs. Henry Haas here Sunday.

Mr. and Mrs. E. S. Christilles and
son from San Antonio were visiting
relatives here Sunday.

Mr. and Mrs. Jacob Rihn from
Spindletop were LaCoste visitors
Tuesday.

Mr. and Mrs. Joe Schmidt from
Devine were visiting relatives here
Thursday.

Mrs. Julius Ahr and daughters
spent Tuesday with relatives and
friends at Castroville.

Miss Hilda Wurzbach from the
Loma Alto Ranch spent several days
with her sister, Mrs. O. W. Huegele,
at Riomedina.

Little Meda Kriewald, the daugh-
ter of Mr. and Mrs. A. L. Kriewald,
broke an arm while playing at school
Monday morning.

DEVINE NEWSLETS

From the Devine News.

Homer D. Thompson, of this city,
resigned his federal job over at Hon-
do Monday to take the oath of office
as the new Postmaster at Devine; and
at The News office, this editor, of-
ficiating in the capacity of a notary
public, obligated him as the new post-
master of our little city, to take
charge at once. He will have for his
assistant, Mr. George W. Heath, one
of the applicants, who made high
grade in the recent Civil Service ex-
aminations here, and was next in line
for promotion. Mr. Thompson will
have the assistance of assistant post-
master A. A. Bendele for a few days
in getting straightened out. Mr.
Heath is a lawyer, having previously
taken his obligation as a disciple of
Blackstone in the News office at the
hands of this writer.

Miss Teel has made a good post-
master, under the Republican admin-
istration, has always kept the official
business separated from her personal
matters and retires with the good
wishes of all the hundreds of patrons
of the office. Mr. Thompson will be
bonded in the sum of \$8,000 by the
Maryland Casualty Co., the same
people who had bonded Miss Teel. Mr.
Thompson's official title will be Act-
ing Postmaster until he is confirmed
by the U. S. Senate later, we believe.

FROM BIRY.

Mr. and Mrs. John Surreddin and
babe and Evelyn and Jeanette Mann
spent the week-end with their par-
ents, Mr. and Mrs. Gus Mann. Evelyn
is a freshman at Our Lady of the
Lake and Jeanette attends St. Ann's
School.

Mr. and Mrs. Frank Bilhartz and
son, Norman, of San Antonio spent
Sunday with Mr. and Mrs. Ed Bader.

Miss Henrietta Keller entered the
Alamo Business College last week.

Messrs. Marvin and Louis Haass
and Alvin Bader attended the ball
game at Quilhi Sunday.

Mr. Randolph Haass and Miss Inez
Biry attended a show in San Antonio
last Thursday night.

Several from here attended the
funeral of Mr. Benjamin Frankun
Moss in Hondo Friday.

Mr. and Mrs. J. F. Biry and fam-
ily were Castroville visitors Sunday.

Mrs. Albert Watson was the guest
of her parents at Moore last week.

FROM YANCEY.

A telegram from Arizona last Fri-
day brought the message that Mr.
August Bohmfalk had to undergo an
emergency appendix operation. He
had gone to Arizona about two
months ago on account of his health,
and was ready to come home when the
washouts were reported in that sec-
tion of the country which delayed his
return. Latest reports are that he is
resting easy.

J. C. Wiemers, eldest son of Mr.
and Mrs. George Wiemers, is at the
Medina Hospital where an operation
for removal of his appendix was per-
formed Sunday.

Mr. B. F. Moss, an aged and re-
spected citizen of this community,
passed away last week, Thursday, af-
ter several years' confinement to his
room and most of the time in bed.
He leaves quite a large family, all
grown, to mourn his departure. We
extend sympathy.

W. N. Burgin, Mr. and Mrs.
Charles Burgin and their mother, vis-
ited Mr. H. G. Saathoff and family
near Bandera last Sunday; also went
to Bandera and Tarpley where they
visited Mr. M. L. Saathoff and fam-
ily.

Mr. Harrison Wilson took his son,
Albert, to Austin Sunday where Al-
bert entered the State University.
Monday their daughter, Miss Leora
Frances, left for San Antonio where
she will begin her career as a pro-
fessional nurse at the Santa Rosa
hospital.

Miss Florene Weekly left Monday
for Alpine where she spent last sum-
mer; will take up her studies again
in the Sul Ross Normal.

Our community joins in sympathy
with the bereaved family of the late
George Bohmfalk, whose accidental
death was a shock to all, as he was
well known here and had relatives
residing here.

Mr. Dan McCrea opened his pecan
shelling plant Monday morning.
There will be employment for a good
many people and will last six or eight
months.

A quilting party at the old taber-
nacle was enjoyed by the ladies of
the community, assisting Mrs. Luella
Ward in getting her quilts made.

Mr. and Mrs. Edgar Moss of Cor-
pus Christi were here for the funeral
of their father; also Mr. Barney Moss
of Miranda City.

Almost the whole community at-
tended the funeral at Hondo of the
late Mr. B. F. Moss in the forenoon
and Mr. George Bohmfalk in the af-
ternoon of last Thursday.

Rev. and Mrs. Banks accompanied
their daughter, Mrs. Mildred Lewis,
as far as San Antonio. Mrs. Lewis'
home is at Runge.

Mr. Ben Moss and family of Ban-
dera were here for the funeral of
their father.

ALL NEW THRILLS WITH HUGE CIRCUS.

Mighty Ringling Bros. and Barnum &
Bailey Combined Organizations Offer
Among Vast Hosts of New Features
Col. Tim McCoy, Screen's Great
Western Star, His Indian Village and
Mary, the Tarzan Rhinoceros.

With one hundred double-length,
silver-hued railroad cars, bearing
1600 people, seven herds of ele-
phants, 1009 menagerie animals and
700 horses, the Ringling Bros. and
Barnum & Bailey Combined Circus
will arrive in San Antonio Saturday,
September 28, for afternoon and night
exhibitions.

The big top, seating 16,000 per-
sons, covers seven rings and stages,
a huge hippodrome track and encir-
cling grandstands, and is one of 31
great tents, among them the men-
agerie, sheltering the world's largest
traveling zoo. In its center this sea-
son will be seen Col. Tim McCoy's
Indian Village, with Sioux, Crow,
Shawnee and Arapahoe warriors en-
camped. Col. McCoy, the screen's
most outstanding western star, will
himself lead his congress of rough
riders of the world in the main per-
formances and in the wild west.

The Greatest Show on Earth of-
fers scores of foreign features new to
America this year, including a Sa-
haran racing caravan of acrobatic
liberty camels and Touregs; a Moroccan
sixty-horse liberty act; the largest
aerial ballet ever produced, head-
ed by the Annetta and Nellieta
troupes of revolving flyers, the Jen-
nies and the Lydias. Fresh from
Europe are the Walkmirs, the Ant-
lecks, the Buenrangs, the Ronecos, the
Maschinos, the Dementatis, the Wil-
los, the Torrence-Dolores, Lauries,
the Poiss, the Rooneys, aerial novelty
sensations. The Lucy-Repenskis,
the Rieffenachs, the Walters, famous
bareback riding troupes; the two
Guice aerial comedy troupes on the
lofty bars; the two renowned Wal-
lenda troupes of high wire thrillers;
the Otaris, who fly in mass somer-
saunts from an aerial cross; the Fly-
ing Concellos, with Antoinette, only
girl to accomplish a two-and-a-half
mid-air somersault to a hand-to-hand
catch; the Flying Comets; the great
Con Colleano, only artist ever to
achieve a forward somersault on the
tight wire; Dorothy Herbert, madcap
rider of reeless jumping horses over
fire hurdles, and Hugo and Mario,
human projectiles, who are fired at
the same instant from the mouth of
a giant cannon across the upper
reaches of the big top—these are
some of the most prominent features
of the superb 1935 Ringling Bros.
and Barnum & Bailey program, to
say nothing of Mary, the famed rhin-
oceros of the Tarzan motion picture,
which is a newcomer to the rhino col-
ony in the vast menagerie.

SAN ANTONIO LIVESTOCK.

San Antonio, Texas, Sept. 23.—
(This report furnished by the Fed-
eral-State Market News Service.) Sup-
plies in the cattle division were lib-
eral Monday but shippers and order
buyers were active and price levels
held around steady with last week's
close. Only a few calves and light
yearlings were good enough to sell up
to \$7.00 with a short string of light
fed yearlings at \$7.50. Most calf
sales were around \$5.00 to \$6.25.
Sheep moved out a little easier
but with no advance in rates. A
small lot of fat cows brought \$4.35,
or fully steady with last week. Low
cutters and cutters were active at
\$2.00 to \$3.00. Stocker steers of
good breeding were in demand at
\$5.50 to \$6.50. No good heavy
steers were offered.

The hog market was active at a
\$10.25 top to all interests. Packing
sows sold readily at \$8.50 to \$9.00.
Medium grades ranged around \$8.50
to \$9.75. Feeder pigs were in de-
mand at \$7.25 to \$8.25.

Most sheep were on through bill-
ing but a few fat wethers of good
quality cashed readily at \$3.75 with
a few out at \$3.25. No goats were
offered.

Receipts and quotations Monday
were: Cattle, 767 head; calves, 883
head; calves, culis and common,

Time Lost is Money Lost

It costs money to be sick. You see it di-
rectly if your pay envelope is short. You
lose out on some important work if you
live on a farm or if you are one of the few
who are not docked for lost time. You
can't afford to show up on the job unless
you are feeling fit. The boss wants re-
sults—not excuses.

How many times do Gas on Stomach, Head-
ache, Sour Stomach, "That Tired Feeling,"
That "Morning After" Feeling, Neuralgia,
Rheumatic, Sciatic, Muscular or Periodic
Pains keep you at home or interfere with
your doing a full day's work?

All these troubles are caused or made worse by too much acid
in your body. To correct this condition take

ALKA-SELTZER

The New Pain Relieving, Alkalizing, Effervescent Tablet.

It is called Alka-Seltzer because it makes a sparkling alkaline
drink, and as it contains an analgesic (Acetyl-Salicylate) it first
relieves the pain of everyday ailments and then by restoring
the alkaline balance corrects the cause when due to excess acid.
Alka-Seltzer is pleasant to take, harmless, non-laxative.

USED BY COURTESY
OF THE OWL

OWLS DEFEATED BY PEARSALL
MAVERICKS; SCORE 12 TO 6.

Hondo's fighting Owls lost the
first game of the season, Friday,
September 20, to the Pearsall Ma-
vericks.

Both teams were very evenly
matched during the entire game.
The Mavericks scored in the last
part of the first quarter. Try for
extra point was blocked. In the early
part of the final quarter the Owls
evened the score. The touchdown was
made by Rothe. The other Pearsall
touchdown came in the last two min-
utes of play. The try for extra point
was again blocked. Hondo's attack
was featured by several brilliant runs
by Finger and Rothe, and several
large gains through the line by Win-
drow and Rothe.

The Mavericks' attacks, both aerial
and running were built around Mac
Laxon, Mr. Tom Laxon's brother,
who plays at the quarterback posi-
tion. Hondo tried very few passes.
One of these was completed, but
Hondo was penalized and the play
didn't count. Pearsall's passing at-
tack was slightly more successful;
they completed two passes. One of
these which was thrown by Mac
Laxon, resulted in the final Pearsall
touchdown. The first downs and pen-
alties were about equal for each
team.

DISTRICT FOOTBALL.

Preseason forecasts were borne
out in some of the games of the past
week-end. Del Rio and Uvalde look
to be the leaders in the race at pres-
ent. Both turned in impressive wins
in their first competition. Carrizo's
win over Natalia may not mean so
much. We will know more about
that after Natalia takes on Barry's
Buggaroos.

Scores:
Cotulla 6, Sabinal 0.
Uvalde 53, Crystal City 7.
Pearsall 12, Hondo 6.
Del Rio 60, Sonora 0.
Carrizo Springs 25, Natalia 0.
Some of the bright spots of the
Pearsall-Hondo game were not the
playing of the old heads but the
promise shown by some of the be-
ginners.

ber of rule books for the boys to
read. Some of them seem to think
that the rules have been reversed
about the use of the hands. They
have not. One is still allowed to use
his hands on the defense. (Tackles
please note.)

Quite a number of the squad were
in San Antonio Saturday night to
see the Rice-St. Mary's game. Their
attention was called to the fact that
one peculiarity of college football is
that when the backs get hold of the
ball they almost invariably get out
of a trot with it. In fact they usually
run!

The Owl squad looks more promis-
ing than was at first hoped for. The
boys show a love for the game and
the desire to mix it with the opposi-
tion. But how woefully weak they
appeared in the fundamentals. From
the captain on down the blocking
left much to be desired. The coaches
promise that next Friday at Crystal
somebody is going to be in there
who can and will block.

Be hunting that way to go to Cris-
tal next Friday night. This is the
first time in many a moon that Cris-
tal City has deliberately challenged
us to a ball game. They must be get-
ting cheery or they heard that Hondo
would be unusually weak this year.

Next week is the fourth week of
school. Monthly exams, failures, and
ineligibility? Some players will be
on the bench who might be in the
thick of it had they put in a little
more time studying.

Suggested yell for the ineligible:
Boo! Boo!

Who put the Boog in
Boogeroo?

LANDSLIDE IN POPULARITY
CONTEST PLACES SOPHO-
MORE IN OFFICE.

Billy Merritt, popular Sophomore,
was named sweetheart of the F. F. A.
as votes were counted last night,
Sept. 23rd.

As the results of the election came
in, it was found that Miss Merritt
had polled more votes than her three
upper classman rivals combined.

Miss Merritt polled 1,440 votes;
her nearest rivals, Ginger Fusselman
and Evelyn Barnes, had 505 and 501
respectively. Anna Laura Welhausen
polled 189 votes.

The F. F. A. added \$26.35 to its
treasury by selling votes.

THE GLEE CLUB.

The Glee Club of Hondo Hi has
reorganized and started work for the
school year. Miss Harris, the fourth
grade teacher, is our new director.

We decided to sing popular as well
as classical songs. There are about
thirty-five members in the Senior
Glee Club.

The officers of the club are:
President, Evelyn Barnes; Vice-
President, Gracie Reilly; Secretary-
Treasurer, Jean McCall; Librarian,
Ginger Fusselman; Reporter, Jo
Reilly.

All you girls who think you have a
good voice, come around and let Miss
Harris give you a try-out. For all
you know, you may be a second
Jessica Dragonette. Anyway, give
it a stab. Let's try to make some-
thing of this Glee Club.

SOCIETY.

The Intermediate B. Y. P. U. of
the Baptist Church was entertained
with a "school party" Friday night
at the church. Everyone dressed as
small children, and Mrs. Laura Win-
drow was "teechur", conducting
classes in the Three R's.

At "noon" the pupils were given
their lunches, which consisted of
sandwiches, fruit, cookies, and
punch.

Those enjoying this party were:
Wanda and J. B. Redmond, LaVerne
and Jack Ulbrich, Monroe Langford,
Katherine Coffey, Helen Benton, Eva
Earnest, Dorothy Mae and Irma
Belle Moore, Adelle Scott, Jean and
Merle McCall, Thomas Danie, Babo
Windrow, Maribol Embrey, Rev. and
Mrs. Merrill, and Mr. and Mrs. Hen-
ry Windrow.

SUNDAY SCHOOL MEETING.

The Live Wire Sunday School Class
of the Methodist Church met at the
home of Mrs. O. A. Fly Thursday
night.

We discussed plans for raising
money for conference benevolences.

Cake and punch were served to
the following: Virginia and Fern Ul-
brich, Gracie and Jo Reilly, Ada Bell
Carter, Florene Williams, Jackie
Pearl Bradley, Evelyn Barnes, Earline
Watson, Mrs. Fly, and Oreneth
Asberry Fly, Jr.

OWL'S EARS.

Ethlyn Ney was in San Antonio
Sunday night—but she wouldn't say
who with.

Florence Zuberhueller spent Satur-
day in San Antonio—buying pretties
no doubt.

Wilma Barkuloo was in San An-
tonio Saturday, too—more Fall pur-
chasing.

Anna Laura Welhausen was a
guest of a camping party in ConCan
Saturday night and Sunday.

Jerome Finger, Melvin Finger and
Ralph Noonan went to Kerrville Sun-
day where Ralph entered Schreiner
Institute.

Mr. Barry went to Temple Wed-
nesday to visit his wife who is in the
hospital.

Sunday Frances Ruth and Oreneth
Fly and Jack King spent the day at
Medina Lake.

Those attending the Rice-St.
Mary's football game Saturday night
were: Monroe Rucker, Babo Win-
drow, Thomas Danie, Jack Hartung,
Hugh Meyer, Mr. DuBose, Mr. Sad-
ler, Mr. Broxton, Benny Gefinger,
Mr. Barry and Monte Montel.

Frances Ruth Fly and Betty Jean
Merriman visited part of Friday and
Saturday in San Antonio with Betty
Jean's grandmother, Mrs. C. H.
Brewster.

Mr. Sadler and Mr. DuBose saw
the game between Crystal City and
Uvalde Friday night.

Buddy Mechler visited THE OWL
office Thursday to talk over old
times.

Mr. and Mrs. Clifford Woods (An-
na Leah Webb, a former H. H. S.
student) have been visiting here with
relatives and friends.

The Student Body of the Hondo
High School, with the aid of Mr. Mac,
wired Mrs. Barry a gift of flowers.

WIENER ROAST.

The Methodist Young People en-
joyed a wiener roast at King's Water-
hole last Wednesday evening. After
everyone had eaten as many wieners
as they could, they sang until time to
go home.

Those present were: Evelyn
Barnes, Gracie Reilly, Irene and Wil-
ma Barkuloo, Virginia and Fern Ul-
brich, Ora Harlee, Eva Mae Hull, and
Jackie Bradley, and Oreneth Fly,
Jack King, George Hull, Harold
Stiegler, Benny Oefinger, Hugh
Meyer, Burleigh Smith, Monroe
Langford, Benny Crow, Miss Willie
Fly, and Mrs. S. M. Hull.

THIRD GRADE.

We were very happy to win the
first book that the P. T. A. gave
away last week. We hope our moth-
ers will continue coming to these
meetings.

Our room has been very attrac-
tive this week. We have new pictures,
and members of our class bring
fresh bouquets of flowers each morn-
ing.

Our class enrollment this year is
25.

JUNIORS ELECT OFFICERS.

The Juniors held a class meeting
at noon Tuesday for the purpose of
electing class officers. There was on-
ly time enough, however, to elect
two officers. These were: Jo Reilly,
President, and J. H. Rothe, vice
president.

The class met again Wednesday to
complete the election. Merle McCall
was elected secretary-treasurer, and
Ginger Fusselman, reporter.

FIRST GRADE.

We are proud of our twelve boys
and seven girls in our grade this
year.

Mrs. Hollmig is our room mother.
We have made a picture show
about the Three Bears.

We are reading about Bob and
Nancy.

BETTY CO-ED.

From THE OWL.

Betty Co-Ed, your hair is gold for
Crystal.

Betty Co-Ed, your eyes for Hondo
deep blue;

Betty Co-Ed, your lips are red for
old Del Rio,

And your dress I guess is green for
Pearsall too.

Betty Co-Ed, your tie is maroon for
Uvalde;

Your shoes are purple for Sabinal
don't forget,

Betty Co-Ed is loved by every high
school boy;

But I'm the one that's loved by Betty
Co-Ed.

GET THIS MONEY NOW.

Austin, Texas, Sept. 24.—Lyndon
B. Johnson, State Director of the
National Youth Administration of
Texas, Sunday evening issued a
warning to county superintendents
of schools to allocate high school aid
jobs to high school principals at once
in order to prevent the possibility of
their allotments being lost to them
and transferred to other counties.

The National Youth Administra-
tion on Sept. 14 mailed to 248 county
superintendents of the 254 counties
in Texas, allotments of the students
eligible in each county to participate
in the \$6 per month high school aid
program.

The National Youth Administra-
tion has made preparations to give
this assistance to 8,547 high school
students in Texas. County superin-
tendents of schools and principals of
individual schools, working in coop-
eration with caseworkers of the Tex-
as Relief Commission, make the final
selection and assignments. However,
if a county does not avail itself of
the opportunity and place the full
number of students in part time jobs
the allotment will be transferred to
another county where the demand
exceeds the supply.

"It is unfortunate that there are
more applications than jobs available
under the federal allotment of funds
for Texas," Johnson said. "But we
are eager to see that the allotment
is used one hundred per cent. Inas-
much as it is incumbent upon the
school officials to initiate the move-
ment and to see that it is put
through, the need for immediate ac-
tion is urgent. School has started
already in many places and will start
in others in the very near future. In
order that there may be no waste
whenever a county fails to avail of
its funds, they will be transferred
and given to other counties."

"It is doubtful that a county which
fails to act this week and distribute
its quota of funds to high school
principals will have the opportunity
to do so next week."

The NYA student aid program will
provide jobs for 19 high school stu-
dents in Medina County, at the rate
of \$6 per month, or a total of \$114.

SO MUCH FOR SO LITTLE.

FARMING is in a position to do an
unusually good turn for its friends
by furnishing them both FARMING
and The Pathfinder a full year for
the bargain price of only \$1.00. The
Pathfinder is America's most appre-
ciated weekly magazine, published at
the Nation's Capital, for all the na-
tion. It deals with politics, govern-
ment, science, industry, world events
and every subject that intelligent
people want to know about. It is not
partisan. It never boosts favored
individuals or pet doctrines. In The
Pathfinder you get much interesting
information—many pertinent facts
that are seldom published elsewhere.
You and your whole family, young
and old, will like The Pathfinder, as
millions of others do. FARMING
and The Pathfinder make a splendid
team; each one supplements the other
to give you a COMPLETE reading
service. You need both of them.
Don't miss this chance.

YANCEY SCHOOL NEWS.

The Mexican school addition has
been completed and now the over-
crowded condition has been over-
come.

The Board of Education has pur-
chased many needed charts, maps and
other much needed equipment. The
teachers and pupils are feeling fine
and all smiles over the new books
and maps and charts. While the
school equipment is not complete,
the much needed equipment will serve
a great purpose in the line of prop-
erly instructing the students. No
man or woman can do a good clean,
clear cut job without the tools to do
it with. Many very ordinary work-
men can do a fair piece of work with
good tools to work with. So it is
with the instructors with good equip-
ment much more efficient work can
be done and the beauty of it the child
will receive the benefit.

The faculty for this term was tak-
en from all parts of the State and
from various institutions. They are
as follows:

Superintendent: Mr. A. A. Skin-
ner, San Antonio, M. S., Wyoming
University, B. S., A. & M. College of
Texas, Ph. B., E. T. S. T. College.

Coach: Mr. Houston B. Eggen, B.
A., Texas Technological College;
Clifton, Texas.

English: Miss Frances Forbes, A.
B. Baylor University; Reagan, Texas.
Home Economics: Miss Winifred
Wilkinson, B. S., Texas University;
Donna, Texas.

History: Miss Ethel Morrison, B.
A., East Texas State Teachers' Col-
lege; Ladonia, Texas.

Fifth and sixth grade: Miss Itha
Hodges, San Marcos State Teachers'
College; Smiley, Texas.

Third and fourth grade: Miss
Frankie Wiley, B. A., Trinity Uni-
versity; San Antonio, Texas.

First and second grades: Miss Le-
ora Horger, B. A., Southwestern Uni-
versity; Hondo, Texas.

Second and third grades: Miss Vera
Golie, B. A., Southwest State Teach-
ers' College; Donna, Texas.

Grades:

First grade, Spanish-American:
Miss Helen Scott, B. S., Our Lady of
the Lake College; San Antonio, Tex-
as.

The grade school is now doing de-
partmental work in writing, drawing,
music and physical education.

The three new teachers for this
term are Miss Scott, Miss Golie and
Mr. Eggen. The rest are the old
faculty from last year. All are at
work and things are going fine.

AGRICULTURAL DEPARTMENT.

The department has been divided
into first, second and third years. The
first year class is taking a course in
general farm crops and live stock.
The work at present is in the selec-
tion of corn and the judging of corn.
Other field crops will be similarly
treated, making all work in both field
crops and live stock meet the im-
mediate needs of this community.

The second year will devote most
of its classroom work to farm shop
and farm machinery of the farm as
it is connected with the field crops
and live stock industry of this com-
munity.

The third year will devote their
time to more advanced farm shop
and farm management, specializing
in farm surveys and accounts and
studying along specialized lines.

The F. F. A. will soon have one
project finished that of building an
F. F. A. bathhouse. They have com-

pleted a feed room here on the
school grounds which will serve as a
storage room for feed for the chick-
ens and other livestock.

The F. F. A. and the H. E. girls
will put on their Fathers-and-Mothers-
Sons-and-Daughters barbecue Oct.
3rd. This, we are certain, will be a
fine thing to have the Dads and Moms
out to see how MY BOY AND GIRL
can do the work of entertaining
Mother and Father.

Most of the Agricultural boys have
selected their project for the even-
ing term and some are big enough
for a man. They are going into vo-
cational projects to make money out
of them and we wish them great suc-
cess.

October 2nd will be the beginning
of the Poultry School, which will be
one of the evening schools. This will
be a great thing for Yancey poultry-
men to take part in as they will get
the best of clinic experts' advice and
teaching in this course as well as
other vital lessons in the feeding,
sanitation and proper housing of
their home flocks. Come out and let
us help you with your poultry. Bring
along a sick one to have examined.
It is all free.

CASTROVILLE, TEXAS, TUESDAY, SEPTEMBER 24, 1935

LOUISA MAY TRAGESSER.

Mrs. Louisa May Tragesser died at San Antonio on Friday morning, September 20, 1935, after having undergone a major operation the previous Tuesday.

Mrs. Tragesser was born at Castroville and was 58 years of age at the time of her death. In early life she was married to John Tragesser, who survives her, and of this union were born two children, John Tragesser, Jr., who preceded her in death, and Arthur Tragesser of San Antonio. She also leaves her aged father, Joe Tschirhart of Dunlay and Albert of Noonan; four sisters, Mrs. Henry Mangold of LaCoste, Mrs. Val Mangold of Noonan, Mrs. O. H. Tondre of Castroville, and Mrs. Frank Hauck of Woodsboro, Texas; two grandchildren and a host of relatives and friends who were grieved to hear of her death.

Mrs. Tragesser was a woman with winsome ways, and always wore a pleasant smile. She had a large circle of friends, both here and in San Antonio. About 12 years ago they moved from San Antonio to Castroville.

The funeral took place from St. Gerard's Catholic Church in San Antonio at 4 o'clock P. M. Sunday, Sept. 22nd and after services at the church the body was laid to rest in Rose Lawn Cemetery, where she now rests in peace. Rev. Wunderlin performed the last sad rites. A very large number of people from far and near attended the funeral, showing the esteem in which she was held.

To the grief-stricken husband, father, brothers and sisters, we extend our sincerest condolences in this their hour of sorrow. May she rest in peace.

A large number from here attended the funeral of Mrs. Louisa Tragesser in San Antonio Sunday.

About 5 inches of rain fell here Monday and Tuesday, and at this writing Wednesday the old Medina is reported on a 20-foot rise at Bandera. Watch out for high water.

Mr. and Mrs. Herbert Tondre left Sunday on a pleasure trip to Monterey and other points in Mexico.

The card party held Sunday night at the St. Louis Hall was largely attended and much enjoyed.

Mr. and Mrs. Hilmer Mangold and Mrs. Hy. Tschirhart were Hondo visitors Tuesday.

Dr. Williamson and family of San Antonio moved back to Castroville last week.

Mr. and Mrs. Frank Keller of LaCoste were Castroville visitors Tuesday.

Sebastian Mechler of San Antonio is spending the week here with his mother, Mrs. Aug. Mechler, and his son, Marx.

THEN AND NOW.

We are really living in the golden age of the world. Something new is always happening. I recall the first automobile that passed through our town. People came from every direction to witness the sight.

As a boy I carried many a kerosene can from the grocery to our home, but the oil lights might burn. Today we touch a switch and the entire house is flooded with light. In my town I witnessed the past week the tearing up of the tracks where street cars had run for several decades. Now great busses make much faster time and are more comfortable and efficient.

I step to my radio and hear the finest music and listen to the great of the earth. When I first experienced this miracle I said to myself that there would never be an end to miracles. I used to walk miles to school. Today I go to town and pass a big school with hundreds of cars parked upon the grounds. The automobile has become a necessary medium of life. Continents are no longer strangers. They are communicating friends.

There was a time when the tomato was considered a lovely garden plant. It was called "the love apple". Now it is one of our commonest vegetables and one of the healthiest of eatables. We absorb new knowledge and new inventions as though they were expected!

And yet I believe that we will look back upon this time, a quarter of a century from now, as rather unprogressive! Time travels very fast. The mind of man is ever active. Vision cannot be throttled. It is born to be alert.

We can afford, however, to be "old fashioned" when it comes to our ideas of right and wrong for there is nothing either new or old about this. Human nature does not change. Only ideas. A tiny microscope will reveal more of life than the average man ever has dreamed about. A new world opens up. We actually know very little.

Last week I took a trip of nearly

Culled From The Castroville Page. The LaCoste Ledger, Sept. 20.

S. A. Jungman from Hondo was a short visitor here Friday evening. Elmer Bader from Dunlay was a visitor here Tuesday.

Com. and Mrs. H. J. Bippert were LaCoste visitors Sunday.

Mrs. Mary Chrisilles and children from San Antonio were visiting here Sunday.

Mr. and Mrs. Frank Bader and daughter from Dunlay were visitors here Sunday.

Mrs. Herbert Keller and children from LaCoste were visiting with Mr. and Mrs. Louis Schott here Tuesday.

Messrs. Joe A. Bader and Alois Rihn were business visitors in San Antonio Monday.

Mrs. Louis Schott and son, Edgar, and Paul Applewhite were Alamo City visitors Wednesday.

Messrs. Willie Burger and Alex Tschirhart were business visitors in San Antonio Monday.

Miss Lillian Tschirhart left Tuesday for San Marcos, where she will enter the State Teachers' College.

Messrs. Albert Bendele and Joe Bader were business visitors in Hondo Tuesday.

Mrs. Ed. Meister and daughter and Miss Lillian Tschirhart were San Antonio visitors one day the past week.

Mr. and Mrs. E. A. Halbardier and Mrs. Louis Schott were visiting with Mr. and Mrs. Eugene Jungman and family at the Potranco Saturday.

Mr. and Mrs. Harry Hans and family, Mrs. Alvina Brieden and daughter, Miss Laura, and son, Richard, were visitors at the Medina Lake Tuesday.

Ben de Joirno from Sturm Hill and Charles Smith from Biry, who are attending Draughon's Business College in San Antonio, were visiting home-folks Sunday.

We are glad to welcome into our midst again, Dr. and Mrs. R. D. Williamson and family. They are residing in the William Rihn residence.

Mr. and Mrs. Harry Hans and family, Mrs. Alvina Brieden and daughter, Laura, and son, Richard, were visiting with Mr. and Mrs. Robert Rihn and family at LaCoste Tuesday evening.

The infant son of Mr. and Mrs. Wilfred Tschirhart was baptized Sunday in the St. Agnes Church in San Antonio. The names given the young man were Lynroe Allen. Sponsors were Miss Myrtle Zimmermann and Herbert Holzhaus.

Mr. and Mrs. August Schott and family, Mr. and Mrs. Leonard Brieden and daughter, Mr. and Mrs. Harry Hans and family, Mesdames Theresa and Alvina Brieden and Leonard Marty enjoyed a barbecue dinner at Benton, Texas, Sunday.

On Sunday, Sept. 15, a birthday party was given in honor of Mr. and Mrs. Emil Zimmermann in their peacan bottom below Castroville. A grand dinner and supper were served by the children and grandchildren.

a thousand miles with an automobile that cost less than a thousand dollars. A few years ago it would have cost several thousand. I made the trip in a little over a day, through a magnificent country. In the days of the old horse and buggy the trip would have taken about two weeks.

We have every reason to be very thankful. We are living in good times!

Customer—Ten years ago I only had to pay ten cents a pound for these prunes.

Grocer—Not these prunes. These are less than seven years old.

She—Major, did you get that scar during an engagement?

Major—No, the first week of our honeymoon.

GET your GREENS

WHETHER you play a nine-hole course or eat a nine-course dinner, it is most important that you get your greens. Fairways are pleasant indeed, but once you get to the green—it's more than pleasant. It's exhilarating!

It is most important that you get your greens in your diet so that on the course or on the job, you have that feeling of exhilaration. Greens put iron into your blood and pep into your system. They give you that get-going urge which modern living demands.

Spinach, For Example

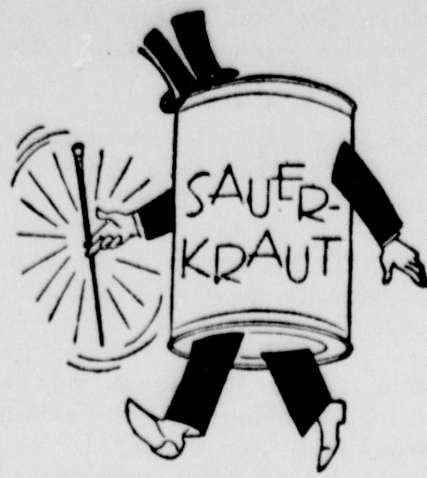

Canned greens contain plenty of nutriment. If you like to save the time and effort of cleaning fresh spinach, for instance, open a can of it and you will find that the color, flavor and nutritive value compare favorably with that of the fresh. And, certainly, it is much better than so-called fresh spinach which has lost its food value and flavor by being packed and wilted in a bushel basket.

Perhaps you like to get your greens in delicious combinations. Here are some excellent ways:

Baked Spinach and Eggs: Drain and chop the contents of one No. 2½ can of spinach, reserving the juice for soup. Make a white sauce of two tablespoons butter, one and one-half tablespoons flour, one cup of milk and a little salt. Add three hard-cooked chopped eggs. Put alternate layers of spinach and sauce in a buttered baking dish. Cover with one-half cup of buttered crumbs and brown in a hot oven. This serves six persons.

Spinach Soufflé: Make a cheese sauce of three tablespoons butter, four tablespoons flour, one-half cup evaporated milk, three-fourths cup water, one-third cup grated cheese and salt and pepper to taste. Add two beaten egg yolks. Then add the contents of one No. 2½ can of spinach which has been well-drained and chopped. Fold in two stiffly-beaten egg-whites. Turn into a buttered baking dish and bake in a slow oven—350 degrees—for twenty to thirty minutes. Serve at once. This serves eight persons.*

Thirty-four different kinds of vegetables grow in Viola Bedink's garden. This 14-year-old 4 H club girl from Randall county announced that 13 kinds of vegetables valued at \$5.20 have already been eaten from her garden. More than \$2 worth of vegetables have been sold, including cabbage, beans and squash.

Sauerkraut Steps Out!

BUILD a better mouse trap, or produce a better sauerkraut and the world will find a path to your cellar. Even in the days when kraut hid its light in a barrel in the cellar, epicures found it.

Today, when it can be bought, crisp and savory in nice clean cans, the fashionable world has found it on the grocery shelves. They have found, also, a variety of smart ways of serving this healthful and long-favored food. Your family will like them—so will your guests.

In Fashionable Frocks

Calf's Liver with Fried Sauerkraut: Cut one and one-half pounds of calf's liver in pieces for serving. Dip in boiling water for a few moments, drain and remove the skin along the edges and veins. Season well with salt and pepper, and dip in flour. Fry in hot fat in a skillet until done and a nice brown. Remove, and use the drippings for making a brown milk gravy. Meanwhile drain three cups of canned sauerkraut and fry in a skillet with three tablespoons of fat until slightly brown. Serve with the liver and gravy. This serves six persons.

Creamed Sauerkraut: Sauté three tablespoons of sliced onion and four tablespoons of shredded green pepper in three tablespoons of fat until the onions become pale yellow. Add three tablespoons of flour and stir until smooth. Add two cups of milk slowly, stirring until thick and creamy. Season to taste with salt and pepper. Add two cups of canned sauerkraut and heat thoroughly. This serves six persons.*

"I planted 39 acres of a good variety of corn this year and 10 acres to a cheap variety, and any two acres of my good corn will make as much as the entire 10 acres of cheaper corn," Julius Mann, of Pearsall, Frio county farmer, told N. H. Hunt, county agricultural agent. Mann added that he was sorry he had planted the cheap corn and that hereafter it will be good seed for him, not only for corn, but also for all other crops.

John Howe, whose farm is in Hays county, said recently that he had found curly mesquite grass one of the finest pasture crops that he had ever grown. His pasture of 450 acres is well sodded with grass and carries 450 head of sheep and goats and 76 head of cattle a large part of the year. "The grass spreads rapidly," he said, "and can be easily introduced on sandy or heavier soil."

Mr. and Mrs. Pat Green and children of San Antonio spent Sunday in the home of Mr. and Mrs. M. T. Schuchart.

Mr. and Mrs. Edward Carle of San Antonio visited here Sunday. Mrs. F. J. Carle returned home with them after spending a week in that city.

Mr. and Mrs. R. R. Carle and daughter, Bernice, spent Monday in San Antonio.

CARD PARTY.

At the benefit card party sponsored by St. Anthony's Community Club last Sunday evening in the Parish Hall, the following ladies acted as hostesses: Mesdames L. J. Finger, Kinnerly, H. C. Rothe, M. A. Zinsmeyer, and Miss Tina Rothe. The prizes for high score in the games were awarded to Mrs. Will Turner.

One hundred and six dollars profit on one and one-half acres of tomatoes and still making more, is the report of W. O. Finch of Van Zandt county, according to V. O. Teddlie, county agricultural agent. This is a net profit, and the crop is only 75 per cent harvested. Finch hired all the work done on his demonstration, and this amounted to \$55. His fertilizer bill was \$14. The gross receipts up to the present have been \$175. Finch says that the following contributed to the success of the demonstration in spite of adverse weather conditions: tomatoes were planted on fresh, well drained land; being timbered land and fresh, bushes were allowed to grow up from root stocks and shade the tomatoes to keep them from sun-blistering; and the proper cold framing was used.

R. C. Anderson, a 4-H club boy from Sabine county, took six acres of cotton, five acres of corn, two acres of peas, and one-half acre of tomatoes for his club demonstrations. By June 4, he had sold \$134.40 worth of tomatoes from the one-half acre. He broke his tomato ground early in the fall, leaving the land in a good state of cultivation. The tomato plants were kept in a hotbed during the cold weather, later transferred to the coldframe. R. C. set his plants out in the field early, fertilized and cultivated them carefully—result, success. His other crops are all in good condition.

and Mr. Joe Koch, rook; Mrs. Louis Richter and Mr. Nic Fohn, high five; Miss Marcella Ney and Charles Langfeld, bridge; and Geneva Rieber and David Zinsmeyer, bunco. The following won entrance prizes: Mrs. August Lutz, Mrs. R. R. Carle, Mrs. Ben Koch, Mrs. Ed Finger, Mrs. Sarah Koch, Henry Weyand, and Martin Ney. Refreshments consisted of iced tea and cake.

BRIDGE CLUB.

Entertaining the members of the club and several guests Mrs. John Zinsmeyer was hostess on Thursday afternoon. The living and dining rooms, where the tables were arranged, were enhanced with bouquets of dwarf zinnias and queen's crown. A green and white color scheme was carried out in tallies and napery.

Miss Cornelia Koch and Mrs. Alf Zinsmeyer were awarded prizes for high member and high guest respectively. Low score was held by Mrs. Reilly Carle and Mrs. F. Rock received consolation.

The hostess served a salad course to the following players: Mesdames Herman Ney, Hy. Biry, Hy. Neher, Ferd Rock, Ed. Finger, John Rieber, Don Scott, Reilly Carle, Alf. Zinsmeyer, Hy. Muennink, M. A. Zinsmeyer and Miss Cornelia Koch.

Four thousand four hundred pounds of Irish potatoes were raised on one-fourth acre of land by R. R. Goode of Cornith in Denton county this year. The quarter acre was used as a garden in 1934 and was fertilized with barnyard manure. This year the barnyard fertilizer was applied early and the land was listed before the potatoes were planted. The land was too dry to plow the potatoes, so they were harrowed. After it began raining, it was too wet to plow until the plants were too large to plow. The only cultivation the potatoes received after they were harrowed was with a hoe. They were hoed twice.

PAUL'S LUTHERAN CHURCH.

"What doth the Lord require of thee but to do justly and to love mercy." Micah 6, 8. In Jesus Christ we find the living fulfillment of all that God requires of man, including the just and the merciful life. He went about doing good. He left no hand unturned for the relief of the needy, not always physical, but very often spiritual help and comfort, which is of even greater value. He found mercy lacking in the boasting Pharisee. He pointed out to the man who tried to justify himself that to be merciful, as was the Good Samaritan, is the true mark of neighborliness. "Be ye merciful, as your Father also is merciful." Luke 6, 36.

The Inner Mission work which our Church carries on in various cities among unfortunate peoples of whatever race or creed or color, is the manifestation of the Spirit of Christ, and follows His example. Like that of the Good Samaritan, such activity indicates the heart-beat of compassion toward the fallen, the cripple, the feeble-minded, the sick and imprisoned. We hear Jesus saying: "Go and do thou likewise."

The Trinity Lutheran Orphan and Old Folks' Home at Round Rock, Texas, under the directorship of Rev. Theo. Krenke, is one of the Inner Mission endeavors in our state. Let us not forget these hungry mouths which look to Christian friends for food. Make an effort to bring your offering of canned goods to the parsonage not later than Saturday noon, Sept. 28, so that the pastor can deliver them. It is blessed to receive; but "it is more blessed to give than to receive."

Services Sunday, Sept. 29, in the English language, conducted by Rev. C. Weeber. Note: This service begins at 9:00 A. M. The Sunday school will also convene at the same time and remain at the close of service.

Sunday, October 6, English service beginning at 10:00 A. M.

The Ladies' Aid Society meets on Wednesday, Oct. 2, at 2:30, entertained at the home of Mrs. Amanda Muenink by Mrs. Chas. Balzen. If we cannot bring a new member, let us be sure to answer to the roll.

The annual meeting of the Luther League will take place Thursday, October 3, at 7:30 P. M. All members are asked to be present and close the year with a successful meeting.

A social for the Luther League playing host to the new class of Confirmants has been arranged for Friday night, Oct. 4, at 7:30 P. M. All are to meet at the church at 7:30 and come prepared to enjoy a wienie roast.

NEW FOUNTAIN NOTES.

Our Fourth Quarterly Conference will be held October 6th at 10:45 A. M. Bro. Buchanan will be with us for the last time for the year and also for his time of Eldership for the district. May we have a large attendance. We as a church and as individuals should make desperate efforts to make this Conference what it should be.

Our year's work here is nearly over. The Annual Conference is just ahead. All your work will go down on a permanent record. What will the record be? May it be one that will meet with the Heavenly Father's approval.

We will take the Lord's Supper Sunday morning service. This service should ever be a sacred one; a service that will make Jesus more real to us.

Friday night, October 11th, we will have a musical program which will be well worth hearing, for our best is put into it. We will also have a barbecue supper for which a small charge will be made. There will be other things of entertainment and of amusement nature. It will be well worth your time to come.

H. W. GASTON, Pastor.

BAPTIST NEWS NOTES.

The Sunday school of the Baptist Church registered quite an encouraging increase in attendance on last Sunday. This fact made everyone feel better. On next Sunday, we are to have Promotion Day exercises. A program is being prepared, and it is hoped the attendance will be full. The new teachers and officers for the ensuing year, are to be installed. This should be a most impressive exercise. To teach growing Youth the word of Almighty God is a most sacred privilege, a very high calling, and to accept such is a most serious responsibility.

Following the installation exercises the Pastor will bring a vital message from God to us all. We should strive to make each day just what we will it to be, when we meet Him face to face. A cordial welcome extended to visitors.

R. W. MERRILL, Pastor.

CAR LOT SHIPMENTS.

Car lot shipments for the week were as follows:

Corn 11 cars; Hegari 2 cars; maize one car; broomcorn 2 cars; mohair 2 cars; sheep 4 cars and cattle 2 cars.

Corn and maize shipments were slowed up somewhat by the rainy weather that has prevailed.

FAIR ROYALTY NAMED.

Among the princesses and duchesses named to represent different towns at the 16th annual Winter Garden Fair are the following: Hondo, Miss Mary Ruth Wilson, princess, Frances Sauter, duchess; Devine, Frances Thompson, princess, Winifred Burns and Elizabeth Chambers, duchesses; Yancey, Itha Hodges, princess, Leora Horgor and Frances Forbes, duchesses; D'Hanis, Alma Batot, princess, Doris Nester and Katherine Saathoff, duchesses.

Miss Wilma Spratt was crowned queen of the 16th annual Winter Garden Fair, which is being held at Pearsall September 26, 27 and 28, and Miss Virginia Littlepage represented Pearsall as princess, Miss Eddie Bloodworth and Miss Bertha Taylor as duchesses of Pearsall.

The coronation ceremonies were held last night, Sept. 26, at the fair-ground pavilion.

Miss Wilson, chosen princess of Hondo, is the youngest daughter of Mr. and Mrs. Isaac Wilson, and had as her escort Mr. Arnold Newsom of Pearsall. Her duchess, Miss Sauter, is the daughter of Mrs. Lena Sauter. Her escort was Horace Mann. Miss Wilson wore an evening dress of black satin, while Miss Sauter's was of purple crepe.

Miss Leora Horgor, who is a teacher in Yancey, is the daughter of Mr. and Mrs. J. A. Horgor of Hondo.

GRIMSINGER FUNERAL HELD WEDNESDAY.

Funeral services were held Wednesday afternoon for August Grimsinger, 61, native of San Antonio, who died Monday at his residence, 2722 West Travis Street. He was a retired blacksmith.

Rev. A. L. Wolff of St. John's Lutheran Church officiated at services, and interment followed in Herman Sons Cemetery.

Grimsinger is survived by a son, Glen Grimsinger; four daughters, Mrs. W. E. Whitley, Mrs. R. W. Kollatsch, Miss Edna Grimsinger, all of San Antonio, and Mrs. G. E. Tate of Corpus Christi; three brothers, Joe Grimsinger of San Antonio, Ed Grimsinger of Shreveport and Adolph Grimsinger of Los Angeles; three sisters, Mrs. Leopold Britz, Mrs. John Hillock and Mrs. Arthur McDougal, all of San Antonio, and three grandchildren.

HIGHWAY 90 PLAYOFF.

Sabinal, Texas, Sept. 24.—The second game of the play-off series for Highway No. 90 League championship was terminated by a downpour in the sixth inning just as Jim Finger struck out for the second out of the inning. The score was 1 to 1.

D'Hanis scored in the third on Carle's walk and steal of second when Joe Finger bounced a single off W. Butler's glove.

The Hustlers evened it up in their half on Ike Annin's smash which M. Koch furnished and Owens followed with his fifth consecutive hit of the series.

The game drew the largest crowd of the season and each team was playing in great form when a deluge forced Umpire Barr to stop the hostilities.

The game will be played off next Sunday with Umpires Barr and Dunsmore again in charge.

METHODIST CHURCH.

Shan M. Hull, Pastor.

All who are interested in our choir and church music are especially urged to be present next Wednesday evening, at the church, at half past seven o'clock, for it is our aim to reorganize, and elect the officers for the choir. Your presence will be appreciated.

The ladies of the church are going to serve a chicken dinner this coming Wednesday, in the building next door to the Hondo State Bank.

Our Fourth Quarterly Conference will be held Sunday evening, October 6th. The Church officers for the New Year will be elected; other important items of business will be considered.

Our evening sermons begin at 7:30 instead of 8 o'clock. "Come thou with us we'll do thee good."

MOHAIR SOLD.

Two cars of the fall clip of mohair were shipped from Hondo to Boston, Mass., on Wednesday of this week, the Hondo branch of the Bandera Farmers' and Ranchers' Association being the shippers. The two cars weighed 68,710 pounds and brought 50 and 60 cents per pound.

SECURE COUNTY AID IN EROSION PREVENTION WORK.

The County Council, composed of twelve men representing the farmers' organizations of Medina County, met with the Commissioners' Court here Wednesday for the purpose of appealing for County aid in the promotion of comprehensive terracing in Medina County. The terracing program has been instituted to prevent soil erosion and comes under conservation policies.

The Court agreed and passed a resolution to the effect that the County will purchase a tractor and a grader for the use of Medina County farmers in their erosion prevention work. The resolution was adopted under the Senate bill known as the State Conservation Law.

In carrying out the comprehensive terracing program, any farmer in the County requiring prevention of erosion work done on his farm may secure the use of the County tractor and grader by paying for the costs of oil and gas and for the services of the linemen.

Now that the consent and backing of the County Commissioners Court have been secured, the program, under the advisement of County Agent C. M. Merritt and the farmers' organizations of the County, will be pushed in the very near future.

MORE RAINS.

Light sleepers were awakened early Sunday morning by an unexpected rain falling gently. A refreshing shower fell and Sunday was a clear day. But it rained again Sunday night and the greater part of Monday and Monday night. Tuesday during the day intermittent showers fell and during the greater part of the night a slow rain fell. In all there was a precipitation of 4.30 inches.

This rain added considerable moisture to that already in the soil and will greatly benefit fall crops and pasture grass. It will also be of great benefit to lands lately plowed and will be of ideal condition for winter grain crops.

However, those having ungathered crops still in the field suffered considerable loss from damage to them.

Reports from over the county indicate that the rain has been general, with the precipitation considerably greater in some places than here. A rise in the upper waters of the Medina has greatly increased the outflow at the spillway at the dam.

SAUER MAJOR OF ST. MARY'S UNIT.

Raymond Sauer, senior, has been named cadet major and battalion commander of the St. Mary's university R. O. T. C. unit, it was announced Friday by Lieut. A. E. Goodner, commandant. Other cadet officers appointed were Robert Curda, major; Clemens Wurzbach, captain and adjutant; B. F. Biagini and Harold Mitchell, captains and company commanders, and Leo Toudouze and Lloyd Ulbrich, lieutenants.—San Antonio Light.

Clemens Wurzbach is the son of Mr. and Mrs. Otto Wurzbach of Rio-Medina.

"ANNAPOLIS FAREWELL" COMING TO LOCAL THEATRE.

The Paramount comedy drama, "Annapolis Farewell", is scheduled to show at the Colonial Theatre Monday and Tuesday nights. It is filmed at the United States Naval Academy at Annapolis and deals with the reformation of a boy who comes to the Academy with a chip on his shoulder, ready to serve himself first, last and all the time. The splendid cast includes Sir Guy Standing, Rosalind Keith, Tom Brown, Richard Cromwell, John Howard and many others.

BROKEN TRACTOR BELT WHIPS MAN TO DEATH.

D'Hanis, Texas, Sept. 15.—While cutting ensilage on the A. G. Hse farm a few miles west of town Friday, Isabel Lopez, 55, was fatally injured when a tractor belt broke, knocking Lopez down, where he lay in the path of the dangling end of the belt. Before the injured man could be moved or the engine stopped the belt literally whipped him to death. Lopez lived until Saturday morning. He is survived by his wife and seven children.

QUIHI NOTES.

And the men said unto Lot, Hast thou here any besides... bring them out of this place: For we will destroy this place. Gen. 19:12-13.

Lot had chosen the best of pastures but the worst of neighbors. His fate is linked with theirs for better or worse. Corruption all around him, but he remained. The scandalous surroundings, as his later history shows, left their imprint upon him and his household. They are always contagious, in mind and motives, where watchfulness lacks, and the pollution is cropping out, sooner or later. It seemed hard to him to sacrifice his material chances for his spiritual welfare. His connection with Jehovah, however, was not entirely severed and for this reason, and especially for that fervent intercessory prayer of his uncle, Abraham, his life was spared and that of the family; all else was wrecked in the crash. Angels had come to bring the dire message of the debacle at hand, and to hurry him on in his escape. It was a terrible night for him: Listening to the details of the impending ruin for his estate and home; listening to the fiendish demands of a demoralized crowd and their maledictions upon him, the newcomer; watching the trembling of wife and daughters and the plight of his guests, till the latter take the situation in hand and give those Sodomites a foretaste of judgment ere their last morning dawns. "Hast thou here any?"—a single soul that found the Lord through you, that dared to break with sin and lead a godly life, prompted by your precept and example? None? How many are profited by your Christianity?

Despite the threatening sky, a goody crowd took in the last League program and were well repaid for their daring with splendid numbers. New talents are developing nicely. Miss Edna Loessberg applied for membership and was gladly received. Others will follow. A preliminary discussion was held in connection with an extensive program for Thanksgiving Day, similar to the one in October last year. The play is selected and the various parts distributed with early rehearsals in view. The assignments for the next program are as follows: Recitations, the Misses Pauline Graff, Crystal Boehle; select readings, Mrs. Alb. Mumme, Mrs. Wm. Schuehle; vocal selections, Mrs. Walter Grell, Miss Lillian Hartman; instrumental number, Mrs. Frank Boehle. The standing numbers are not forgotten.

Mr. Mimke Wiemers had been on the sick list for a while, missing many items of vital interest to him. We found him on the road to recovery with good prospects to resume his former schedule.

Lest we forget, the Ladies' Aid meets next Thursday, October 3rd. The hostesses are the Mesdames Jac. Oeffinger, Harm Gerdes and Alb. Mumme. Several important matters are pending and we ask every member to show up if any way possible. Friends always welcome.

Announcements for September the 29th: German service at 10:30; Sunday school and Junior Bible Class at 9:30. Notice the new time schedule. No evening service. No real Sunday without worship. Come.

TRYING FOR MOUNTAINEERS.

Kerrville, Texas, Sept. 23.—With two full weeks of practice behind them, the 1935 Schreiner Institute Mountaineers have another four full days of hard work ahead of them in preparation for the opening game with the Ninth Infantry Manchus from San Antonio next Friday. Mountaineer prospects looked somewhat brighter as the week went by; the Kerrville school was particularly helped by the return of Tommie Reed, star back from Houston and a regular in 1934. The line-up for Friday's game may include some new men. Ted Dawson of Hondo is trying out for guard after experience in the line during his high school career. Carroll Jones, Hondo, a good running back, is showing up nicely among the new backfield candidates.

THURSDAY BRIDGE CLUB.

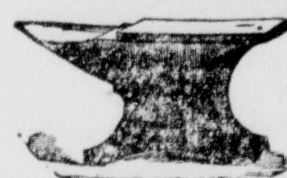

Mrs. L. J. Brucks entertained the Thursday Bridge Club on Thursday afternoon of last week with three tables of bridge. Mrs. O. B. Taylor held high score and Mrs. R. J. Noonan second high. Mrs. Roland Chaney was awarded guest prize.

Members and guests present were Mesdames W. H. Smith, H. J. Meyer, Garland Martin, R. J. Noonan, Earl Starnes, O. H. Miller, E. J. Leinweber, Alfred Schweers, J. R. Chaney, O. B. Taylor, Rudolph Rath, J. M. Finger and the hostess, Mrs. Brucks.

LANE-HARDT.

Claud L. Lane and Miss Lysetta Hardt, the latter of Hondo, were quietly married Thursday evening at the home of Mr. and Mrs. H. B. Grace in Austin, Texas, brother-in-law and sister of the bridegroom. The Rev. H. M. Ratliff read the ceremony and the couple was attended by little Misses Doris Grace and Jane Morley. The ceremony was attended only by members of the families. Mr. and Mrs. Lane will be at home in Austin.

Mr. and Mrs. Vernon Wiemers of Corpus Christi visited his parents, Mr. and Mrs. Gus Wiemers, several days this week.

HITTING THE LITTLE FELLOW.

Tax laws designed to punish big business, under the guise of revenue producing measures, may wreak their principal damage on little business and on the little fellow—the wage-earner, the small investor, the white collar worker.

In addition, they may make it impossible for the little business and the little fellow ever to go ahead—to progress, to prosper, to grow.

A recent editorial in the Los Angeles Times said: "This is a 'big' country accustomed to doing things in a 'big' way. To dwarf such a heritage would be in truth to return us to the horse and buggy days. To go forward, to explore, investigate, experiment, to attain the heights by trial and error is expensive but necessary to human progress."

"The small, poorly financed business or individual is often an initial stepping stone to great things. The poor man becomes rich; the small business grows and one day is a 'big business' boasting a worth-while heritage of accomplishment. There has been incentive all along the line."

It may be wrong, but success, business success at least, is predicated upon financial independence. To rule that the small and struggling shall never grow big and aggressive is to knock the props out from under our national habit and set us back a century."

It seems that the whole aim of politically-minded persons today is to punish, to discourage and to prevent success, to dwarf achievement, to stifle initiative, to throttle ambition, to poison the springs of enterprise. We raise our taxes on "bigness" to the point where a man or a corporation, once it gets beyond the size of a corner grocery, is just working for the tax collector. We pass regulatory laws giving political job holders, not executives and stockholders, the final say as to business practices and operations.

Whether this represents fascism, communism, socialism or any other "ism", it is directly opposed to every American tradition. And it is a threat to the future of every principle for which our forefathers fought.—Industrial News Review.

AN EVIL TONGUE.

Diogenes was asked what beast had the most dangerous "bite". He answered: "Of wild beasts that of the slanderer; of tame ones that of the flatterer." The trail of the slanderer is all over the world. One of the greatest curses that has ever befallen a community is to have in it a slanderer and a scandalmonger. They are a blot upon civilization and a running sore in the life of a nation or community. As Henry Ward Beecher said: "The talebearer kindles a fire that burns to the lowest hell." The sly hint, the innuendo, the question of inquiry which conveys a hint of evil—how infamous all this may be! It is difficult to trace a slanderer, it is hard to evaporate the truth by the slow process of the crucible and leave the residuum of falsehood visible and glittering. Often one cannot fasten on any word or sentence, and say, That is calumny. God forgive the wretch, who under the guise of secrecy, goes from man to man, or from woman to woman, with their story, his innuendo, half-truth, leaving in his wake venom to inflame hearts and to poison human society at its fountain springs! Despite the slanderer, be it man or woman, refuse them audience, tell him candidly what you think of him. And be sure—be very sure you do not follow in his footsteps.—Selected.

REGIMENTING THE SPUD.

The humble spud has become the latest target for the bureaucrat. Under a law passed by the last Congress, the Irish potato is to have its turn in so-called crop control. Growers who produce more than five bushels a year must submit to a stringent licensing system—and if they produce more than their quota, a heavy fine may be levied against them. Opposition arguments, based on the fact that the spud is an eccentric sort of animal, whose productivity is almost impossible to control, have had no avail.

The new law did not have Administration support, and seems to be regarded coldly by Secretary Wallace. It was put through by zealots who feel that nature should be regimented as thoroughly as possible.

However, it is encouraging to report that various groups, led by well-known men, have announced defiance to such a liberty-destroying law—and have challenged its enforcement. The pioneer spirit, which detests any kind of dictatorship, is not yet dead and demands the right to eat spuds without political supervision.—Industrial News Review.

Carrots and Turnips as the French Cook Them

By Ann Pryor

CARROTS and turnips, like spinach, are excellent foods, but many children and grownups, too, seem to find them hard to take. Here are two simple recipes, in the French manner, which will interest those who wish to impart new and appealing flavor to these two vegetables.

Sweetened Turnips—Scrape small turnips, or divide large ones into halves or quarters. Heat them in a saucepan with butter for about 20 minutes. When they become light brown sprinkle with one or two teaspoonfuls of sugar and moisten with about two tablespoonfuls of meat stock or gravy. Cover and let them simmer for about one hour.

Creamed Carrots—Scrape small carrots and place them in boiling salted water to which three lumps of sugar have been added. Cook for about 45 minutes. Small carrots may be left whole; larger ones should be cut into round slices.

Prepare a white sauce with a lump of butter the size of a walnut, two heaping teaspoonfuls of flour and a cup of the water in which the carrots have been cooked. Drain carrots and place them in sauce. Just before serving add four tablespoonfuls of cream.

We furnish a special box of 100 No. 6 envelopes and 200 8 1/2 x 5 1/2 letter sheets, every piece printed with your name and address, for the small price of \$1.50. You can't beat this in value anywhere. Try a box at the Anvil Herald office. tf.

Yancey vs. Hondo.

A group of picked players from Yancey, including high school and town boys will play the Hondo All-Stars here tonight, Friday, September 27th, at 7:30 P. M.

Games Next Week.

Wednesday night, October 2nd, 1st game—Sinclair Dinosaurs vs. F. F. A. team. 2nd game—Grell's Comedians vs. Leinweber's Lions.

Thursday night, October 3, Red & White Specials vs. H-H Hot Shots.

Due to fact that quite a number of players have gone away to school and the managers of the different teams finding it difficult to have enough players out for the games it was necessary to disband one of the teams. At a meeting held Thursday night the officers and managers agreed to discontinue Renken's Reapers, the last team to enter the league.

VACANCIES ANNOUNCED BY U. S. MARINES.

S. P. Childress was up from his Seco ranch, below Yancey, yesterday. Mr. and Mrs. Childress had a narrow escape from drowning in the Seco flood of May 31st last. They live in the valley at a point where it is about two miles wide and felt no uneasiness about the rising water endangering them. They were watching the waters spread over the valley from an advantageous point. The water filled a depression between them and their house but still they felt no uneasiness and remained where they were. In just a little while the flood waters spread over the entire valley, engulfing them and making it extremely difficult for them to reach safety. Mr. Childress says the rains have put his section, from a moisture standpoint, in the best shape it has been in for years.

HURLS BODY IN FRONT OF CAR WHEELS AND SAVES TOTS' LIFE.

San Antonio, Sept. 18.—Victor Hankenson, Hondo visitor, hurled his body under the rear wheels of an automobile as a block to prevent the car from crashing over a 30-foot precipice into Martinez creek and thus saved the life of 3-year-old Weldon Howard.

A visitor in the home of Charles Bonam, 1103 Solana street, Los Angeles Heights, Hankenson noted the Howard child in an automobile parked in front of the home of the Howards, neighbors of his host.

He saw it start moving backward down an incline to the creek bank and guessed that the child, in playing, had thrown the car out of gear. Hankenson dashed out and tried to halt the car by throwing himself against the back end. But he was unable to stop it. Finally he hurled himself in the path of wheels and wheels.

Hankenson suffered minor bruises but otherwise escaped unhurt. The accident happened Tuesday.—San Antonio Express.

OFF-HAND OBSERVATIONS

By R. R. Claridge.
Staff Contributor.

Does it not seem strange that even old line Democrats appear to have forgotten the platform upon which the peerless Bryan led the fight to make Woodrow Wilson president? On the money question especially, the congressional neck-and-belly trust, not excepting the Democratic phase of it with a few Wright Patman exceptions, shy at a little inflation of Abe Lincoln green-backs, with which to pay an honest debt to the veterans of the world war; and with no reason for their opposition, save that the debt is not due till 1945; that is, unless they are afraid to turn loose some government money to go into circulation, where a starved out people might get their hands on it.

The Lincoln-Bryan-Jim Hogg-Wright Patman theory of money is that the circulating medium of the nation is not value within itself, but a representative of value, and as good and no better, than the integrity of the government behind it; moreover, that only the government, under the constitution, should have the power to issue it. And the fact that this power, in flagrant violation of the constitution, has been delegated to the banks, does not seem to disturb the "new deal" democrats who, under the leadership of a president, elected as a democrat, are openly and shamelessly backing the rear-back, reactionary, bank-credit policy of making money scarce and dear, and everything else cheaper.

It is matter of history that Lincoln won the civil war mainly with green-backs, and except along the border between the warring sections, the north remained prosperous all during the war. But in a people's money, there was no rake-off for the credit men, and they made early and persistent war on the green-back currency. The untimely death of Lincoln, and his liquor-soaked successor, made it easy for the credit men to get rid of the green-backs, leaving only what little gold and silver there was in circulation. But the country began to mine silver on an extensive scale, when the credit men, seeing danger to their high interest rate, made war upon the white metal, soon causing its demonetization, bringing on the country the panic of 1873.

And the country has been run mainly on credit ever since. A sleepy, indifferent population managed to get by, in a hungry, half naked sort of way, as long as the credit held out. But when both cash and credit played out, along about 1929—well, you see what happened. And yet, the neck-and-belly trust, with its background of big business bolshevism, and voiced by a pander-press of big

town dailies, are still speculating as to how come, with apparently no idea what to do about it, except to sell interest-bearing, tax-free bonds, wherewith to parcel out a pitiful dole to half-naked, half-starved humanity.

People who know better, are no doubt surprised at the number of other people who think gold is money. Anything which does not circulate as money, is not money, and I double-dare the gang that has had it tied up ever since the civil war, to deny my contention. Except possibly, as a keep-sake curiosity, how many gold coins have you seen since when? Gold is a commodity, and less valuable than what we eat and wear, as a commodity. It is, and has been shipped back and forth across the seas, wherewith to juggle national and international finance, for robbery of people who labor or do honest business for a living. There is about five billion dollars in gold tied up in the U. S. treasury right now; and the powers that be, claiming that a paper currency is no good without a gold basis, do not know enough to make it back an issue of "currency", so sadly needed to relieve the depression in the national stomach.

I guess Wright Patman and his kind would rather see some inflation by a gold backed currency, than the present deflation policy of the credit men. In fact, Patman has a double object in his bonus bill (a) to pay an honest debt to the soldier boys, and (b) to get some inflation. And the same may be said of Dr. Townsend's old age pension bill; which, in a round-about way, beside a pension for the old folks would turn a lot of money loose, without further piling up a thirty billion dollar national debt.

Salmon, Texas.

P. S. In last issue of Farming the print made me say 18 cents instead of 12 cents, as the price at which the President stabilized the price of cotton.

FRAZIER-LEMKE BILL

Do You Know What It Is And Where It Is?

The Frazier-Lemke Bill is evidently a very important bill. It was written specifically as a farmer's bill, but would benefit all useful citizens. It is called the Frazier-Lemke Bill because it was written and is sponsored by Senator Frazier of North Dakota, and by Congressman Lemke, also of North Dakota. The intention of the bill is for the Government to issue new currency and lift the mortgages on all farms at present and refinance them at a small rate of interest, about 1 1-2 per cent.

MORE FUNERAL EXPENSES

By Lillian Stickney.
Contributor

While our property owners were working over time to defray their OWN funeral expenses as mentioned in my last article, according to all reports NRA died very suddenly and now the poor property owners are wondering if by working over time they could not make ends meet before, HOW can they possible pay NRA's funeral expenses, as this all must be most elaborately decorated with Federal Red Tape.

You will remember in my last article I advised the reading of the Constitution: as that article was written several weeks before the death of young NRA (but not printed until after) you may without any straining of brain matter realize just what I had in mind—the unconstitutionality of much of the alphabetic cod(ine) with which the suffering Americans have borne with the fortitude of the early Stoics. However, I write not to say "I told you so—" but to advise our senators to read that wonderful document before foisting more of that family as proteges on our long-suffering people.

If, and when a private employee of a company makes a mistake, either through ignorance or intentionally, which costs the company much expense, as well as the ridicule of other companies—THAT employee is promptly asked to resign, and if unwilling to do so, is FIRED PRONTO. The companies do not wait for a future election of officers, and in the mean time give that employee a chance to do further damage. Are the businesses of private companies of more value, or consequence than those of a great nation—and the welfare of ALL its people? What a huge laugh Europe must have had at the demise of NRA, in such a nauseating manner, but considering WHO were the parents of that code child, are they not too experiencing a cockle bur under the collar?

Right here we feel justified in mentioning a paragraph in a recent article of Dr. Spain's (July) in which he speaks of the paralysis of our

chief executive, possibly extending to cripple keen thinking, OR whether as SOME others think—maybe in league with certain senators, bond holders, interest takers and others who hold this country in a strangle hold. Maybe the best answer to this may be found in July 20 issue of Saturday Evening Post by David Lawrence, the Washington observer, and correspondent, in which he asserts that the current administration has led our beloved country, without its knowledge toward a Socialistic state.

Many have seen this, however, deep thinkers, lovers of our country and believers in the strength of our constitution. However, with incomes tied up by the Socialistic Manipulators they have found it very difficult to spread the warning. BUT the PEN is still mightier than the sword, and many of our best writers are putting soul and body, and even their limited incomes into the effort to enlighten the people and SAVE the country. THEN THEY MEET THE ELEMENT WHICH ARE BLINDED BY THE GIFTS OF SANTA CLAUS, AND LAUGH AT THE EFFORTS OF THEIR REAL FRIENDS TO PROTECT THEIR WELFARE AND THOSE OF THEIR POSTERITY.

It is sacrilegious that a country born and reared by such patriots as Benj. Franklin, Thomas Jefferson, Patrick Henry, Abraham Lincoln, and scores of others we might mention, of that same honest type, should so deteriorate that unconstitutional acts can be passed and scarcely cause a ripple on the face of our land and people submit like lambs driven to the slaughter without a bleat.

Thousands have paid tribute to the code regime. Have we forgotten "Millions for defense, but not one cent for TRIBUTE?" Have we allowed such classics as that of Patrick Henry "Give me liberty, or give me death" to become a mere twaddle? "Historic twaddle?" Where are our patriots? Is there not somewhere in this broad land—AMERICA—one man, who so loves his country that he will give his statesmanship as President, regardless, and without self-gain, to put America again on the upright base advocated and built by our Godly sires? James Warburg says "Freedom means the right to think, to work, and express themselves as they desire." Should we not think for ourselves, and not act dumb brutes which allow their masters to think for them? A free man's right!

Friction of minds develop minds, and an education which brings freedom and prosperity. It is unAmerican to be cowed into unexpression of our ideas and ideals. It is every man's right, insofar as they are for Constitution. (Continued on last page.)

If the West is to be relieved of climatic disaster, accurate, dependable scientific knowledge is needed to develop long-range plans for land-use, said Dr. Isaiah Bowman, Chairman of the National Research Council.

DEVINE NEWSLETS

From the Devine News.

Homer D. Thompson, of this city,
resigned his federal job over at Hon-
do Monday to take the oath of office
as the new Postmaster at Devine; and
at The News office, this editor, of-
ficiating in the capacity of a notary
public, obligated him as the new post-
master of our little city, to take
charge at once. He will have for his
assistant, Mr. George W. Heath, one
of the applicants, who made high
grade in the recent Civil Service ex-
aminations here, and was next in line
for promotion. Mr. Thompson will
have the assistance of assistant pos-
tmaster A. A. Bendie for a few days
in getting straightened out. Mr.
Heath is a lawyer, having previously
taken his obligation as a disciple of
Blackstone in the News office at the
hands of this writer.

Miss Teel has made a good post-
master, under the Republican admin-
istration, has always kept the official
business separated from her personal
matters and retires with the good
wishes of all the hundreds of patrons
of the office. Mr. Thompson will be
bonded in the sum of \$5,000 by the
Maryland Casualty Co., the same
people who had bonded Miss Teel. Mr.
Thompson's official title will be Acting
Postmaster until he is confirmed by
the U. S. Senate later, we believe.

FROM BIRY.

Mr. and Mrs. John Surreddin and
babe and Evelyn and Jeanette Mann
spent the week-end with their par-
ents, Mr. and Mrs. Gus Mann. Evelyn
is a freshman at Our Lady of the
Lake and Jeanette attends St. Ann's
School.

Mr. and Mrs. Frank Bilhartz and
son, Norman, of San Antonio spent
Sunday with Mr. and Mrs. Ed Eader.

Miss Henrietta Keller entered the
Alamo Business College last week.

Messrs. Marvin and Louis Haas
and Alvin Bader attended the ball
game at Quilhi Sunday.

Mr. Randolph Haas and Miss Inez
Biry attended a show in San Antonio
last Thursday night.

Several from here attended the
funeral of Mr. Benjamin Frankum
Moss in Hondo Friday.

Mr. and Mrs. J. F. Biry and fam-
ily were Castroville visitors Sunday.

Mrs. Albert Watson was the guest
of her parents at Moore last week.

FROM YANCEY.

A telegram from Arizona last Fri-
day brought the message that Mr.
August Bohmfalk had to undergo an
emergency appendix operation. He
had gone to Arizona about two
months ago on account of his health,
and was ready to come home when the
washouts were reported in that sec-
tion of the country which delayed his
return. Latest reports are that he is
resting easy.

J. C. Wiemers, eldest son of Mr.
and Mrs. George Wiemers, is at the
Medina Hospital where an operation
for removal of his appendix was per-
formed Sunday.

Mr. B. F. Moss, an aged and re-
spected citizen of this community,
passed away last week, Thursday, af-
ter several years' confinement to his
room and most of the time in bed.
He leaves quite a large family, all
grown, to mourn his departure. We
extend sympathy.

W. N. Burgin, Mr. and Mrs.
Charles Burgin and their mother, vi-
sited Mr. H. G. Saathoff and family
near Bandera last Sunday; also went
to Bandera and Tarpley where they
visited Mr. M. L. Saathoff and fam-
ily.

Mr. Harrison Wilson took his son,
Albert, to Austin Sunday where Al-
bert entered the State University.

Monday their daughter, Miss Leora
Frances, left for San Antonio where
she will begin her career as a pro-
fessional nurse at the Santa Rosa
hospital.

Miss Florene Weekly left Monday
for Alpine where she spent last sum-
mer; will take up her studies again
in the Sul Ross Normal.

Our community joins in sympathy
with the bereaved family of the late
George Bohmfalk, whose accidental
death was a shock to all, as he was
well known here and had relatives
residing here.

Mr. Dan McCrea opened his pecan
shelling plant Monday morning.
There will be employment for a good
many people and will last six or eight
months.

A quilting party at the old taber-
nacle was enjoyed by the ladies of
the community, assisting Mrs. Luella
Ward in getting her quilts made.

Mr. and Mrs. Edgar Moss of Cor-
pus Christi were here for the funeral
of their father; also Mr. Barney Moss
of Miranda City.

Almost the whole community at-
tended the funeral at Hondo of the
late Mr. B. F. Moss in the forenoon
and Mr. George Bohmfalk in the af-
ternoon of last Thursday.

Rev. and Mrs. Banks accompanied
their daughter, Mrs. Mildred Lewis,
as far as San Antonio. Mrs. Lewis'
home is at Runge.

Mr. Ben Moss and family of Ban-
dera were here for the funeral of
their father.

ALL NEW THRILLS WITH HUGE CIRCUS.

Mighty Ringling Bros. and Barnum &
Bailey Combined Organizations Offer
Among Vast Hosts of New Features
Col. Tim McCoy, Screen's Great
Western Star, His Indian Village and
Mary, the Tarzan Rhinoceros.

With one hundred double-length,
silver-hued railroad cars, bearing
1600 people, seven herds of ele-
phants, 1009 menagerie animals and
700 horses, the Ringling Bros. and
Barnum & Bailey Combined Circus
will arrive in San Antonio Saturday,
September 28, for afternoon and night
exhibitions.

The big top, seating 16,000 per-
sons, covers seven rings and stages,
a huge hippodrome track and encir-
cling grandstands, and is one of 31
great tents, among them the men-
agerie, sheltering the world's largest
traveling zoo. In its center this sea-
son will be seen Col. Tim McCoy's
Indian Village, with Sioux, Crow,
Shawnee and Arapahoe warriors en-
camped. Col. McCoy, the screen's
most outstanding western star, will
himself lead his congress of rough
riders of the world in the main per-
formances and in the wild west.

The Greatest Show on Earth offers
scores of foreign features new to
America this year, including a Sa-
harian racing caravan of acrobatic
liberty camels and Toureges; a Moroc-
can sixty-horse liberty act; the large
aerial ballet ever produced, head-
ed by the Annetta and Nelieta
troupes of revolving flyers, the Jen-
nies and the Lydias. Fresh from
Europe are the Walkmirs, the Anta-
leks, the Buenarrangs, the Roncos, the
Maschinos, the Dementis, the Wil-
los, the Torrence-Dolores, Lauries,
the Poliss, the Rooneys, aerial novelty
sensations. The Lyvai-Kepenskis,
the Rieffenachs, the Walters, famous
bareback riding troupes; the two
Guice aerial comedy troupes on the
lofty bars; the two renowned Wal-
lenda troupes of high wire thrillers;
the Otaris, who fly in mass somer-
saunts from an aerial cross; the Fly-
ing Concellos, with Antoinette, only
girl to accomplish a two-and-a-half
mid-air somersault to a hand-to-hand
catch; the Flying Comets; the great
Con Colleano, only artist ever to
achieve a forward somersault on the
tight wire; Dorothy Herbert, madcap
rider of reeless jumping horses over
fire hurdles, and Hugo and Mario,
human projectiles, who are fired at
the same instant from the mouth of
a giant cannon across the upper
reaches of the big top—these are
some of the most prominent features
of the superb 1935 Ringling Bros.
and Barnum & Bailey program, to
say nothing of Mary, the famed rhin-
oceros of the Tarzan motion picture,
which is a newcomer to the rhino col-
ony in the vast menagerie.

Time Lost is Money Lost

It costs money to be sick. You see it di-
rectly if your pay envelope is short. You
lose out on some important work if you
live on a farm or if you are one of the few
who are not docked for lost time. You
can't afford to show up on the job unless
you are feeling fit. The boss wants re-
sults—not excuses.

NOTICE OF EXECUTION SALE.

THE STATE OF TEXAS,
County of Medina.

By virtue of an execution issued
out of the District Court, 73rd Ju-
dicial District, Bexar County, Texas,
on a judgment rendered in said
Court on the 4th day of January, A.
D., 1934, in favor of Paul M. Peck
and against T. B. Baker, No.
B-71,021 in such Court, I did, on the
14th day of September, A. D. 1935,
at 4 o'clock P. M., levy upon the fol-
lowing described real property:

Lots Nos. 12, 13, 14, 15, 16 and
17 fronting on the San Antonio and
Medina Dam Road and Lots Nos. 36,
37, 38, 39, 40 and 41, fronting a
road, and containing about six (6)
acres of land, more or less, out of
the Boehme Addition to Medina
Lake, Survey No. 418, Patented to
Armin Boehme, in Medina County,
Texas, and on the 5th day of
November, A. D., 1935, being
the first Tuesday of said month,
between the hours of 10:00
o'clock A. M. and 4:00 o'clock P. M.,
on said day, at the court house of
said county, in Hondo, Texas, I will
offer for sale and sell, at public auc-
tion, for cash, all the right, title and
interest of the said T. B. Baker and
Franklin Canaday, to satisfy a judg-
ment rendered in the above described
cause against T. B. Baker, amounting
to \$2903.33 and interest and costs
of suit.

Given under my hand this 14th day
of September, A. D., 1935.

CHAS. J. SCHUEHLE,
Sheriff, Medina County, Texas.

SAN ANTONIO LIVESTOCK.

San Antonio, Texas, Sept. 23.—
(This report furnished by the Fed-
eral-State Market News Service.) Sup-
plies in the cattle division were liber-
al Monday but shippers and order
buyers were active and price levels
held around steady with last week's
close. Only a few calves and light
yearlings were good enough to sell up
to \$7.00 with a short string of light
fed yearlings at \$7.50. Most calf
sales were around \$5.00 to \$6.25.
She stock moved out a little easier
but with no advance in rates. A
small lot of fat cows brought \$4.35,
or fully steady with last week. Low
cutters and cutters were active at
\$2.00 to \$3.00. Stocker steers of
good breeding were in demand at
\$5.50 to \$6.50. No good heavy
steers were offered.

The hog market was active at a
\$10.25 top to all interests. Packing
sows sold readily at \$8.50 to \$9.00.
Medium grades ranged around \$8.50
to \$9.75. Feeder pigs were in de-
mand at \$7.25 to \$8.25.

Most sheep were on through bill-
ing but a few fat wethers of good
quality cashed readily at \$3.75 with
a few out at \$3.25. No goats were
offered.

Receipts and quotations Monday
were: Cattle, 767 head; calves, 883
head; calves, culls and common,

USED BY COURTESY
OF THE OWL

OWLS DEFEATED BY PEARSALL
MAVERICKS; SCORE 12 TO 6.

Hondo's fighting Owls lost the
first game of the season, Friday,
September 20, to the Pearsall Ma-
vericks.

Both teams were very evenly
matched during the entire game.
The Mavericks scored in the last
part of the first quarter. Try for
extra point was blocked. In the early
part of the final quarter the Owls
scored the score. The touchdown was
made by Rothe. The other Pearsall
touchdown came in the last two min-
utes of play. The try for extra point
was again blocked. Hondo's attack
was featured by several brilliant runs
by Finger and Rothe, and several
large gains through the line by Win-
drow and Rothe.

The Mavericks' attacks, both aerial
and running were built around Mac
Laxon, Mr. Tom Laxon's brother,
who plays at the quarterback posi-
tion. Hondo tried very few passes.
One of these was completed, but
Hondo was penalized and the play
didn't count. Pearsall's passing at-
tack was slightly more successful;
they completed two passes. One of
these which was thrown by Mac
Laxon, resulted in the final Pearsall
touchdown. The first downs and pen-
alties were about equal for each
team.

DISTRICT FOOTBALL.

Preseason forecasts were borne
out in some of the games of the past
week-end. Del Rio and Uvalde look
to be the leaders in the race at pres-
ent. Both turned in impressive wins
in their first competition. Carrizo's
win over Natalia may not mean so
much. We will know more about
that after Natalia takes on Barry's
Buggaroos.
Scores:
Cotulla 6, Sabinal 0.
Uvalde 53, Crystal City 7.
Pearsall 12, Hondo 6.
Del Rio 60, Sonora 0.
Carrizo Springs 25, Natalia 0.
Some of the bright spots of the
Pearsall-Hondo game were not the
playing of the old heads but the
promise shown by some of the be-
ginners.
Coach DuBose is ordering a num-

ber of rule books for the boys to
read. Some of them seem to think
that the rules have been reversed
about the use of the hands. They
have not. One is still allowed to use
his hands on the defense. (Tackles
please note.)

Quite a number of the squad were
in San Antonio Saturday night to
see the Rice-St. Mary's game. Their
attention was called to the fact that
one peculiarity of college football is
that when the backs get hold of the
ball they almost invariably get out
of a trot with it. In fact they usually
run!

The Owl squad looks more promis-
ing than was at first hoped for. The
boys show a love for the game and
the desire to mix it with the opposi-
tion. But how woefully weak they
appeared in the fundamentals. From
the captain on down the blocking
left much to be desired. The coaches
promise that next Friday at Crystal
somebody is going to be in there
who can and will block.

Be hunting that way to go to Cryst-
al next Friday night. This is the
first time in many a moon that Cryst-
al City has deliberately challenged
us to a ball game. They must be get-
ting chesky or they heard that Hondo
would be unusually weak this year.

Next week is the fourth week of
school. Monthly exams, failures, and
ineligibility? Some players will be
on the bench who might be in the
thick of it had they put in a little
more time studying.

Suggested yell for the ineligible:
Boo! Boo!
Who put the Boog in
Boogeroo?

**LANDSLIDE IN POPULARITY
CONTEST PLACES SOPHO-
MORE IN OFFICE.**

Billy Merritt, popular Sophomore,
was named sweetheart of the F. F. A.
as votes were counted last night,
Sept. 23rd.

As the results of the election came
in, it was found that Miss Merritt
had polled more votes than her three
upper classman rivals combined.

Miss Merritt polled 1,440 votes;
her nearest rivals, Ginger Fusselman
and Evelyn Barnes, had 505 and 501
respectively. Anna Laura Welhausen
polled 189 votes.

The F. F. A. added \$26.35 to its
treasury by selling votes.

THE GLEE CLUB.

The Glee Club of Hondo Hi has
reorganized and started work for the
school year. Miss Harris, the fourth
grade teacher, is our new director.

We decided to sing popular as well
as classical songs. There are about
thirty-five members in the Senior
Glee Club.

The officers of the club are:
President, Evelyn Barnes; Vice-
President, Gracie Reilly; Secretary-
Treasurer, Jean McCall; Librarian,
Ginger Fusselman; Reporter, Jo
Reilly.

All you girls who think you have a
good voice, come around and let Miss
Harris give you a try-out. For all
you know, you may be a second
Jessica Dragonette. Anyway, give it
a stab. Let's try to make some-
thing of this Glee Club.

SOCIETY.

The Intermediate B. Y. P. U. of
the Baptist Church was entertained
with a "school party" Friday night
at the church. Everyone dressed as
small children, and Mrs. Laura Win-
drow was "teechur", conducting
classes in the Three R's.

At "noon" the pupils were given
their lunches, which consisted of
sandwiches, fruit, cookies, and punch.

Those enjoying this party were:
Wanda and J. B. Redmond, LaVerne
and Jack Ulbrich, Monroe Langford,
Katherine Coffey, Helen Benton, Eva
Earnest, Dorothy Mae and Irma
Belle Moore, Adelle Scott, Jean and

JUNIORS ELECT OFFICERS.

The Juniors held a class meeting
at noon Tuesday for the purpose of
electing class officers. There was on-
ly time enough, however, to elect
two officers. These were: Jo Reilly,
President, and J. H. Rothe, vice
president.

The class met again Wednesday to
complete the election. Merle McCall
was elected secretary-treasurer, and
Ginger Fusselman, reporter.

Austin, Texas, Sept. 24.—Lyndon
B. Johnson, State Director of the
National Youth Administration of
Texas, Sunday evening issued a
warning to county superintendents
of schools to allocate high school aid
jobs to high school principals at once
in order to prevent the possibility of
their allotments being lost to them
and transferred to other counties.

The National Youth Administra-
tion on Sept. 14 mailed to 248 county
superintendents of the 254 counties
in Texas, allotments of the students
eligible in each county to participate
in the \$6 per month high school aid
program.

The National Youth Administra-
tion has made preparations to give
this assistance to 8,547 high school
students in Texas. County superin-
tendents of schools and principals of
individual schools, working in co-
operation with caseworkers of the Tex-
as Relief Commission, make the final
selection and assignments. However,
if a county does not avail itself of
the opportunity and place the full
number of students in part time jobs
the allotment will be transferred to
another county where the demand
exceeds the supply.

"It is unfortunate that there are
more applications than jobs available
under the federal allotment of funds
for Texas," Johnson said. "But we
are eager to see that the allotment
is used one hundred per cent. Inas-
much as it is incumbent upon the
school officials to initiate the move-
ment and to see that it is put
through, the need for immediate ac-
tion is urgent. School has started
already in many places and will start
in others in the very near future. In
order that there may be no waste
whenever a county fails to avail of
its funds, they will be transferred
and given to other counties."

"It is doubtful that a county which
fails to act this week and distribute
its quota of funds to high school
principals will have the opportunity
to do so next week."

The NYA student aid program will
provide jobs for 19 high school stu-
dents in Medina County, at the rate
of \$6 per month, or a total of \$114.

SO MUCH FOR SO LITTLE.

FARMING is in a position to do an
unusually good turn for its friends
by furnishing them both FARMING
and The Pathfinder a full year for
the bargain price of only \$1.00. The
Pathfinder is America's most appre-
ciated weekly magazine, published at
the Nation's Capital, for all the na-
tion. It deals with politics, govern-
ment, science, industry, world events
and every subject that intelligent
people want to know about. It is not
partisan. It never boosts favored
individuals or pet doctrines. In The
Pathfinder you get much interesting
information—many pertinent facts
that are seldom published elsewhere.
You and your whole family, young

YANCEY SCHOOL NEWS.

The Mexican school addition has
been completed and now the over-
crowded condition has been over-
come.

The Board of Education has pur-
chased many needed charts, maps and
other much needed equipment. The
teachers and pupils are feeling fine
and all smiles over the new books
and maps and charts. While the
school equipment is not complete,
the much needed equipment will serve
a great purpose in the line of prop-
erly instructing the students. No
man or woman can do a good clean,
clear cut job without the tools to do
it with. Many very ordinary work-
men can do a fair piece of work with
good tools to work with. So it is
with the instructors with good equip-
ment much more efficient work can
be done and the beauty of it the child
will receive the benefit.

The faculty for this term was tak-
en from all parts of the State and
from various institutions. They are
as follows:
Superintendent: Mr. A. A. Skinner,
San Antonio, M. S., Wyoming
University, B. S., A. & M. College of
Texas, Ph. D., E. T. S. T. College.

Coach: Mr. Houston B. Eggen, B.
A., Texas Technological College;
Clifton, Texas.

English: Miss Frances Forbes, A.
B. Baylor University; Reagan, Texas.
Home Economics: Miss Winifred
Wilkinson, B. S., Texas University;
Donna, Texas.

History: Miss Ethel Morrison, B.
A., East Texas State Teachers' Col-
lege; Ladonia, Texas.

Fifth and sixth grade: Miss Itha
Hodges, San Marcos State Teachers'
College; Smiley, Texas.

Third and fourth grade: Miss
Frankie Wiley, B. A., Trinity Uni-
versity; San Antonio, Texas.

First and second grades: Miss Le-
ora Horger, B. A., Southwestern Uni-
versity; Hondo, Texas.

Second and third grades: Miss Vera
Golie, B. A., Southwest State Teachers'
College; Donna, Texas.

Grades:
First grade, Spanish-American:
Miss Helen Scott, B. S., Our Lady of
the Lake College; San Antonio, Tex-
as.

The grade school is now doing de-
partmental work in writing, drawing,
music and physical education.

The three new teachers for this
term are Miss Scott, Miss Golie and
Mr. Eggen. The rest are the old
faculty from last year. All are at
work and things are going fine.

AGRICULTURAL DEPARTMENT.

The department has been divided
into first, second and third years. The
first year class is taking a course in
general farm crops and live stock.
The work at present is in the selec-
tion of corn and the judging of corn.
Other field crops will be similarly
treated, making all work in both field
crops and live stock meet the im-
mediate needs of this community.

The second year will devote most
of its classroom work to farm shop
and farm machinery of the farm as
it is connected with the field crops
and live stock industry of this com-
munity.

The third year will devote their
time to more advanced farm shop
and farm management, specializing
in farm surveys and accounts and
studying along specialized lines.

The F. F. A. will soon have one
project finished that of building an
F. F. A. bathhouse. They have com-

pleted a feed room here on the
school grounds which will serve as a
storage room for feed for the chick-
ens and other livestock.

The F. F. A. and the H. E. girls
will put on their Fathers-and-Mothers-
Sons-and-Daughters barbecue Oct.
3rd. This, we are certain, will be a
fine thing to have the Dads and Mems-
out to see how MY BOY AND GIRL
can do the work of entertaining
Mother and Father.

Most of the Agricultural boys have
selected their project for the com-
ing term and some are big enough
for a man. They are going into va-
cational projects to make money out
of them and we wish them great suc-
cess.

October 2nd will be the beginning
of the Poultry School, which will be
one of the evening schools. This will
be a great thing for Yancey poultry-
men to take part in as they will get
the best of clinic experts' advice and
teaching in this course as well as
other vital lessons in the feeding,
sanitation and proper housing of
their home flocks. Come out and let
us help you with your poultry. Bring
along a sick one to have examined.
It is all free.

CASTROVILLE, TEXAS, TUESDAY, SEPTEMBER 24, 1935

LOUISA MAY TRAGRESSER.

Mrs. Louisa May Tragresser died at San Antonio on Friday morning, September 20, 1935, after having undergone a major operation the previous Tuesday.

Mrs. Tragresser was born at Castroville and was 58 years of age at the time of her death. In early life she was married to John Tragresser, who preceded her in death, and Arthur Tragresser of San Antonio. She also leaves her aged father, Joe Tschirhart of Dunlay and Albert of Noonan; four sisters, Mrs. Henry Mangold of LaCoste, Mrs. Val. Mangold of Noonan, Mrs. O. H. Tondre of Castroville, and Mrs. Frank Hauck of Woodboro, Texas; two grandchildren and a host of relatives and friends who were grieved to hear of her death.

Mrs. Tragresser was a woman with winsome ways, and always wore a pleasant smile. She had a large circle of friends, both here and in San Antonio. About 12 years ago they moved from San Antonio to Castroville.

The funeral took place from St. Gerard's Catholic Church in San Antonio at 4 o'clock P. M. Sunday, Sept. 22nd and after services at the church the body was laid to rest in Rose Lawn Cemetery, where she now rests in peace. Rev. Wunderlin performed the last sad rites. A very large number of people from far and near attended the funeral, showing the esteem in which she was held.

To the grief-stricken husband, father, brothers and sisters, we extend our sincerest condolences in this their hour of sorrow. May she rest in peace.

A large number from here attended the funeral of Mrs. Louisa Tragresser in San Antonio Sunday.

About 5 inches of rain fell here Monday and Tuesday, and at this writing Wednesday the old Medina is reported on a 20-foot rise at Bandera. Watch out for high water.

Mr. and Mrs. Herbert Tondre left Sunday on a pleasure trip to Monterey and other points in Mexico.

The card party held Sunday night at the St. Louis Hall was largely attended and much enjoyed.

Mr. and Mrs. Hilmer Mangold and Mrs. Hy. Tschirhart were Hondo visitors Tuesday.

Dr. Williamson and family of San Antonio moved back to Castroville last week.

Mr. and Mrs. Frank Keller of LaCoste were Castroville visitors Tuesday. Sebastian Mechler of San Antonio is spending the week here with his mother, Mrs. Aug. Mechler, and his son, Marx.

THEN AND NOW.

We are really living in the golden age of the world. Something new is always happening. I recall the first automobile that passed through our town. People came from every direction to witness the sight.

As a boy I carried many a kerosene can from the grocery to our home, that the oil lights might burn. Today we touch a switch and the entire house is flooded with light. In my town I witnessed the past week the tearing up of the tracks where street cars had run for several decades. Now great busses make much faster time and are more comfortable and efficient.

I step to my radio and hear the finest music and listen to the great of the earth. When I first experienced this miracle I said to myself that there would never be an end to miracles. I used to walk miles to school. Today I go to town and pass a big school with hundreds of cars parked upon the grounds. The automobile has become a necessary medium of life. Continents are no longer strangers. They are communicating friends.

There was a time when the tomato was considered a lovely garden plant. It was called "the love apple." Now it is one of our commonest vegetables and one of the healthiest of eatables. We absorb new knowledge and new inventions as though they were expected!

And yet I believe that we will look back upon this time, a quarter of a century from now, as rather unprogressive! Time travels very fast. The mind of man is ever active. Vision cannot be throttled. It is born to the alert.

We can afford, however, to be "old fashioned" when it comes to our ideas of right and wrong for there is nothing either new or old about this. Human nature does not change. Only ideas. A tiny microscope will reveal more of life than the average man ever has dreamed about. A new world opens up. We actually know very little.

Last week I took a trip of nearly

Culled From The Castroville Page. The LaCoste Ledger, Sept. 20.

S. A. Jungman from Hondo was a short visitor here Friday evening.

Elmer Bader from Dunlay was a visitor here Tuesday.

Com. and Mrs. H. J. Bippert were LaCoste visitors Sunday.

Mrs. Mary Chrisilles and children from San Antonio were visiting here Sunday.

Mrs. Herbert Keller and children from LaCoste were visiting with Mr. and Mrs. Louis Schott here Tuesday.

Messrs. Joe A. Bader and Alois Rihn were business visitors in San Antonio Monday.

Mrs. Louis Schott and son, Edgar, and Paul Applewhite were Alamo City visitors Wednesday.

Messrs. Willie Burger and Alex Tschirhart were business visitors in San Antonio Monday.

Miss Lillian Tschirhart left Tuesday for San Marcos, where she will enter the State Teachers' College.

Messrs. Albert Bendele and Joe Bader were business visitors in Hondo Tuesday.

Mrs. Ed. Meister and daughter and Miss Lillian Tschirhart were San Antonio visitors one day the past week.

Mr. and Mrs. E. A. Halbardier and Mrs. Louis Schott were visiting with Mr. and Mrs. Eugene Jungman and family at the Potranco Saturday.

Mr. and Mrs. Harry Hans and family, Mrs. Alvina Brieden and daughter, Miss Laura, and son, Richard, were visitors at the Medina Lake Tuesday.

Ben de Joirno from Sturm Hill and Charles Smith from Biry, who are attending Draughon's Business College in San Antonio, were visiting home-folks Sunday.

We are glad to welcome into our midst again, Dr. and Mrs. R. D. Williamson and family. They are residing in the William Rihn residence.

Mr. and Mrs. Harry Hans and family, Mrs. Alvina Brieden and daughter, Laura, and son, Richard, were visiting with Mr. and Mrs. Robert Rihn and family at LaCoste Tuesday evening.

The infant son of Mr. and Mrs. Wilfred Tschirhart was baptized Sunday in the St. Agnes Church in San Antonio. The names given the young man were Lynroe Allen. Sponsors were Miss Myrtle Zimmermann and Herbert Holzhaus.

Mr. and Mrs. August Schott and family, Mr. and Mrs. Leonard Brieden and daughter, Mr. and Mrs. Harry Hans and family, Messdames Theresa and Alvina Brieden and Leonard Marty enjoyed a barbecue dinner at Benton, Texas, Sunday.

On Sunday, Sept. 15, a birthday party was given in honor of Mr. and Mrs. Emil Zimmermann in their peacan bottom below Castroville. A grand dinner and supper were served by the children and grandchildren.

a thousand miles with an automobile that cost less than a thousand dollars. A few years ago it would have cost several thousand. I made the trip in a little over a day, through a magnificent country. In the days of the old horse and buggy the trip would have taken about two weeks.

We have every reason to be very thankful. We are living in good times!

Grocer—Not these prunes. These are less than seven years old.

She—Major, did you get that scar during an engagement?

Major—No, the first week of our honeymoon.

GET your GREENS

WHETHER you play a nine-hole course or eat a nine-course dinner, it is most important that you get your greens. Fairways are pleasant indeed, but once you get to the green—it's more than pleasant. It's exhilarating!

It is most important that you get your greens in your diet so that on the course or on the job, you have that feeling of exhilaration. Greens put iron into your blood and pep into your system. They give you that get-going urge which modern living demands.

Spinach, For Example

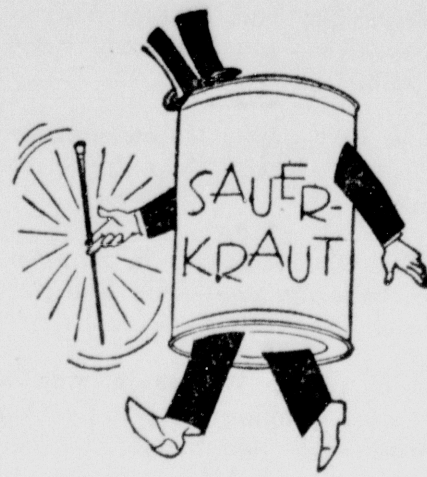

Canned greens contain plenty of nutriment. If you like to save the time and effort of cleaning fresh spinach, for instance, open a can of it and you will find that the color, flavor and nutritive value compare favorably with that of the fresh. And, certainly, it is much better than so-called fresh spinach which has lost its food value and flavor by being packed and wilted in a bushel basket.

Perhaps you like to get your greens in delicious combinations. Here are some excellent ways:

Baked Spinach and Eggs: Drain and chop the contents of one No. 2½ can of spinach, reserving the juice for soup. Make a white sauce of two tablespoons butter, one and one-half tablespoons flour, one cup of milk and a little salt. Add three hard-cooked chopped eggs. Put alternate layers of spinach and sauce in a buttered baking dish. Cover with one-half cup of buttered crumbs and brown in a hot oven. This serves six persons.

Spinach Soufflé: Make a cheese sauce of three tablespoons butter, four tablespoons flour, one-half cup evaporated milk, three-fourths cup water, one-third cup grated cheese and salt and pepper to taste. Add two beaten egg yolks. Then add the contents of one No. 2½ can of spinach which has been well-drained and chopped. Fold in two stiffly-beaten egg-whites. Turn into a buttered baking dish and bake in a slow oven—350 degrees—for twenty to thirty minutes. Serve at once. This serves eight persons.*

Thirty-four different kinds of vegetables grow in Viola Bedink's garden. This 14-year-old 4-H club girl from Randall county announced that 13 kinds of vegetables valued at \$5.20 have already been eaten from her garden. More than \$2 worth of vegetables have been sold, including cabbage, beans and squash.

Sauerkraut Steps Out!

BUILD a better mouse trap, or produce a better sauerkraut and the world will find a path to your cellar. Even in the days when kraut hid its light in a barrel in the cellar, epicures found it.

Today, when it can be bought, crisp and savory in nice clean cans, the fashionable world has found it on the grocery shelves. They have found, also, a variety of smart ways of serving this healthful and long-favored food. Your family will like them—so will your guests.

In Fashionable Frocks

Calf's Liver with Fried Sauerkraut: Cut one and one-half pounds of calf's liver in pieces for serving. Dip in boiling water for a few moments, drain and remove the skin along the edges and veins. Season well with salt and pepper, and dip in flour. Fry in hot fat in a skillet until done and a nice brown. Remove, and use the drippings for making a brown milk gravy. Meanwhile drain three cups of canned sauerkraut and fry in a skillet with three tablespoons of fat until slightly brown. Serve with the liver and gravy. This serves six persons.

Creamed Sauerkraut: Sauté three tablespoons of sliced onion and four tablespoons of shredded green pepper in three tablespoons of fat until the onions become pale yellow. Add three tablespoons of flour and stir until smooth. Add two cups of milk slowly, stirring until thick and creamy. Season to taste with salt and pepper. Add two cups of canned sauerkraut and heat thoroughly. This serves six persons.*

"I planted 39 acres of a good variety of corn this year and 10 acres to a cheap variety, and any two acres of my good corn will make as much as the entire 10 acres of cheaper corn," Julius Mann, of Pearsall, Frio county farmer, told N. H. Hunt, county agricultural agent. Mann added that he was sorry he had planted the cheap corn and that hereafter it will be good seed for him, not only for corn, but also for all other crops.

John Howe, whose farm is in Hays county, said recently that he had found curly mesquite grass one of the finest pasture crops that he had ever grown. His pasture of 450 acres is well sodded with grass and carries 450 head of sheep and goats and 76 head of cattle a large part of the year. "The grass spreads rapidly," he said, "and can be easily introduced on sandy or heavier soil."

Mrs. M. A. Zinsmeyer and daughter, Emily, and Miss Cornelia Koch spent Monday in San Antonio.

Mrs. Louis Carle, Mrs. H. C. Rothe and daughters visited Mrs. Joe Reilly and Miss Aggie Reilly at Sabinal Sunday.

Mr. and Mrs. Stanley Smith and children of San Antonio were guests of Mrs. Elizabeth Ney Sunday.

Mr. and Mrs. Pat Green and children of San Antonio spent Sunday in the home of Mr. and Mrs. M. T. Schuchart.

Mr. and Mrs. Edward Carle of San Antonio visited here Sunday. Mrs. F. J. Carle returned home with them after spending a week in that city.

Mr. and Mrs. R. K. Carle and daughter, Bernice, spent Monday in San Antonio.

CARD PARTY.

At the benefit card party sponsored by St. Anthony's Community Club last Sunday evening in the Parish Hall, the following ladies acted as hostesses: Messdames L. J. Finger, Kinmerly, H. C. Rothe, M. A. Zinsmeyer, and Miss Tina Rothe. The prizes for high score in the games were awarded to Mrs. Will Turner.

One hundred and six dollars profit on one and one-half acres of tomatoes and still making more, is the report of W. O. Finch of Van Zandt county, according to V. O. Teddlie, county agricultural agent. This is a net profit, and the crop is only 75 per cent harvested. Finch hired all the work done on his demonstration, and this amounted to \$55. His fertilizer bill was \$14. The gross receipts up to the present have been \$175. Finch says that the following contributed to the success of the demonstration in spite of adverse weather conditions: tomatoes were planted on fresh, well drained land; being timbered land and fresh, bushes were allowed to grow up from root stocks and shade the tomatoes to keep them from sun-blistering; and the proper cold framing was used.

R. C. Anderson, a 4-H club boy from Sabine county, took six acres of cotton, five acres of corn, two acres of peas, and one-half acre of tomatoes for his club demonstrations. By June 4, he had sold \$134.40 worth of tomatoes from the one-half acre. He broke his tomato ground early in the fall, leaving the land in a good state of cultivation. The tomato plants were kept in a hotbed during the cold weather, later transferred to the coldframe. R. C. set his plants out in the field early, fertilized and cultivated them carefully—result, success. His other crops are all in good condition.

and Mr. Joe Koch, rook; Mrs. Louis Richter and Mr. Nic Pohn, high five; Miss Marcella Ney and Charles Langfeld, bridge; and Geneva Rieber and David Zinsmeyer, bunco. The following won entrance prizes: Mrs. August Lutz, Mrs. R. R. Carle, Mrs. Ben Koch, Mrs. Ed Weyand, Miss Sarah Koch, Henry Weyand, and Martin Ney. Refreshments consisted of iced tea and cake.

BRIDGE CLUB.

Entertaining the members of the club and several guests Mrs. John Zinsmeyer was hostess on Thursday afternoon. The living and dining rooms, where the tables were arranged, were enhanced with bouquets of dwarf zinnias and queen's crown. A green and white color scheme was carried out in tallies and napery.

Miss Cornelia Koch and Mrs. Alf Zinsmeyer were awarded prizes for high member and high guest respectively. Low score was held by Mrs. Reilly Carle and Mrs. F. Rock received consolation.

The hostess served a salad course to the following players: Messdames Herman Ney, Hy. Biry, Hy. Nehr, Ferd Koch, Ed. Finger, John Rieber, Don Scott, Reilly Carle, Alf Zinsmeyer, Hy. Muenmink, M. A. Zinsmeyer and Miss Cornelia Koch.

Four thousand four hundred pounds of Irish potatoes were raised on one-fourth acre of land by R. R. Goode of Cornith in Denton county this year. The quarter acre was used as a garden in 1934 and was fertilized with barnyard manure. This year the barnyard fertilizer was applied early and the land was listed before the potatoes were planted. The land was too dry to plow the potatoes, so they were harrowed. After it began raining, it was too wet to plow until the plants were too large to plow. The only cultivation the potatoes received after they were harrowed was with a hoe. They were hoed twice.

Bud Bud: "Say whar's thet cuspidor 'at used to set here? I miss it a lot."

Bud's wife: "That's why it's gone. You missed it too often."
